

# Appendix C: FSA/ED Systems Access

This is a reference to the different User IDs and passwords that an individual might require for access to FSA data systems and ED funding. It is unlikely that any single individual would have access to all of these system; particularly in cases where the regulations require separation of functions. Reminder: do not share your password information with others. Keep any password list in a secure location that is not accessible to any other individuals.

<b>SAIG Mailbox</b>	Password can be updated via EDconnect or on the Web site. Note: a DPA can allow others access to his/her SAIG mailbox (password). The new user must sign an SAIG User Statement.	TG Number <input type="text"/>
		Password <input type="text"/>
<b>CPS, eCB, SAIG, eCDR</b>	For FAA Access to CPS, eCampus-Based (FISAP), SAIG Web enrollment, and electronic Cohort Default Rates, you will need an FSA User ID, which you can obtain by going to the SAIG enrollment site.	FSA User ID* <input type="text"/>
		Password <input type="text"/>
		* PIN number used until May 17, 2009
