Subject: Direct Loan Webinar Presentation Available Online

Dear Partner:

On April 12, 2007, the Direct Loan Operations Team in cooperation with the National Direct Student Loan Coalition (NDSLCL) and the American Association of Collegiate Registrars and Admissions Officers (AACRAO) conducted a webinar training session. The webinar provided operational information about the Direct Loan Program changes in the Common Origination and Disbursement (COD) System implementation for the 2007-2008 Award Year.

A copy of the presentation and speaker's notes is available on the [IFAP Web site](#). In addition, the presentation is available in the archive section of the AACRAO Web site until May 30, 2007. You may use the following link and register to view the presentation: <http://webinar.aacrao.org/loan>. If you attended the webinar and still have your confirmation e-mail, the link provided in it will also work.

Finally, there were a number of questions received during and after the webinar. We are working on a "Questions and Answers" document to provide to you. We expect to complete the document soon and will provide it in a future Direct Loan Bulletin. In the meantime, many answers can be found in previously released bulletins, [DLB-07-06](#) and [DLB-07-07](#).

If you have questions about the information contained in this bulletin, please contact the COD School Relations Center at 800/848-0978 or by e-mail at CODSupport@acs-inc.com.

Thank you for your ongoing partnership in the Direct Loan Program.

Sincerely,

Bill Leith
Acting General Manager, Application, Operations, and Delivery Services
