DER001---Date Entered Repayment Report

DER001 provides school users with a list of student borrowers with loan history who are scheduled to go into repayment during a specified date range. Users can enter begin and end dates for the date range, specify one of three sort orders (SSN, Name or Date Entering Repayment), and choose whether to receive the information as a formatted report (Message Class: AHSLDSOP) or an extract file (Message Class: AHSLDEOP). Schools receive the report via their SAIG mailboxes. [Date Entered Repayment \(DER\) Report Extract Layout](#)

DRC015---School Repayment Information Loan Detail

DRC015 provides school users with the current repayment status of certain borrowers in FFEL and Direct Loan programs who attended a school during a specific period. This information has no relationship to the calculation of draft or official cohort default rates for a school and will not be used in that process. This data is provided solely for informational purposes and may be sorted by SSN, Claim Code and SSN, or Loan Status and SSN. The information reported is based on information provided by the Guaranty Agency that guaranteed the loan or by the Direct Loan Servicer. Reports may be received in a formatted report (Message Class:SHNOTROP) or an extract file (Message Class:SHNOTEOP). [School Repayment Information Loan Detail Report \(DRC015\)](#)

SCHDF1—SCHDF2---The Default Loan Summary Report

(SCHDF1 for school users and SCHDF2 for ED users) provides a list of loans that currently have a defaulted loan status (DB, DL, DO, DT, DU, DW, DF, or DZ) and a loan status date that falls within the requested date range. Users can select all loan programs or only one. The report includes student identifiers, loan identifiers, Guaranty Agency information, and lender information. It also includes the current loan status and up to three status codes from history. The report can be sorted by Loan Status Date, Last Name, or Social Security Number. The information is available in an extract file. The file layouts for the extract files are available on the IFAP Web site. Schools receive the report via SAIG mailbox. Additional hints for printing the report in Microsoft Word format are available in the Report List Help page. [The Default Loan Summary Report](#)
