UPDATED!

2007-2008 Federal Pell Grant Payment And Disbursement Schedules [02/22/07 (Updated 03/02/07)]

2007-2008 Federal Pell Grant Payment And Disbursement Schedules (02/28/07)

On February 15, 2007, the President signed the Revised Continuing Appropriations Resolution, 2007, (P.L. 110-5) that establishes the maximum Federal Pell Grant (Pell Grant) award for the 2007-2008 Award Year at \$4,310 and, with the minimum award continuing to be \$400, sets the maximum Expected Family Contribution (EFC) that a student may have to be eligible to receive a Pell Grant at 4110. These amounts (and related statutory provisions) were used to develop the Pell Grant payment and disbursement schedules for the 2007-2008 Award Year, which are available in [Dear Colleague Letter P-07-01](#) on the Information for Financial Aid Professionals (IFAP) Web site.

On February 27, 2007, Federal Student Aid posted information about the operational implementation of the Pell Grant payment and disbursement schedules for the 2007-2008 Award Year in an [Electronic Announcement](#) on the IFAP Web site. This announcement provides schools with high-level information about the impact on the Central Processing System (CPS) and the COD System and Federal Student Aid’s anticipated implementation dates related to these systems.

As schools are aware, during the period April 13-14, 2007, Federal Student Aid plans to implement COD System functionality that supports 2007-2008 award-year processing. Development work related to this release has been completed, and testing is well under way. Now that Federal Student Aid has actual amounts for the 2007-2008 Award Year, it will need to update the 2007-2008 COD System with the Pell Grant payment and disbursement schedules. To avoid delaying the April release, Federal Student Aid will do this through a separate release.

Federal Student Aid plans to update the COD System with the Pell Grant payment and disbursement schedules during the period May 11-12, 2007. Federal Student Aid will communicate the details of this COD System update through a forthcoming Electronic Announcement on the [IFAP Web site](#).

For information about the impact on the CPS, refer to the February 27th Electronic Announcement and to a subsequent Electronic Announcement posted on March 1, 2007. The [March 1st Electronic Announcement](#) informs schools of the date when Federal Student Aid will reprocess the applicable 2007-2008 CPS records.
