OMB # 1845-0001

Apply free for federal and state* student grants, work-study, and loans using this form!

Or apply free over the internet at www.fafsa.ed.gov

Applying by the Deadlines

For Federal aid, submit your application as early as possible, but no earlier than January 1, 2004. We must receive your application no later than June 30, 2005. Your college must have your correct, complete information by your last day of enrollment in the 2004-2005 school year.

For state or college aid, the deadline may be as early as January 2004. See the table to the right for state deadlines. You may also need to complete additional forms. Check with your high school guidance counselor or a financial aid administrator at your college about state and college sources of student aid and deadlines.

If you are filing close to one of these deadlines, we recommend you file over the internet at www.fafsa.ed.gov. This is the fastest way to apply for aid.

Using Your Tax Return

If you are filing a 2003 federal income tax return, we recommend that you complete it before filling out this form. If you have not filed your return, you can still submit your FAFSA. Once you file your tax return, you must correct any income or tax data that changed on your FAFSA.

Filling Out the FAFSA

Your answers on this form will be read electronically. Therefore:

- use black ink and fill in ovals completely:

If your parents are both living and married to each other, answer the questions about them.

If your parent is widowed or single, answer the questions about that parent. If your widowed parent is remarried as of today, answer the questions about that parent and the person whom your parent married (your stepparent).

If your parents are divorced or separated, answer the questions about the parent you lived with more during the past 12 months. (If you did not live with one parent more than the other, give answers about the parent who provided more financial support during the last 12 months, or during the most recent year that you actually received support from a parent.) If this parent is remarried as of today, answer the questions on the rest of this form about that parent and the person whom your parent married (your stepparent).

Notes for question 65 (page 5)

Include in your parents' household (see notes, above, for who is considered a parent):

- your parents and yourself, even if you don't live with your parents, and

If the federal government, the U.S. Department of Education, or an employee of the U.S. Department of Education is involved in litigation, we may send information to the Department of Justice, or a court or adjudicative body, if the disclosure is related to financial aid and certain conditions are met. In addition, we may send your information to a foreign, federal, state, or local enforcement agency if the information that you submitted indicates a violation or potential violation of law, for which that agency has jurisdiction for investigation or prosecution. Finally, we may send information regarding a claim that is determined to be valid and overdue to a consumer reporting agency. This information includes identifiers from the record; the amount, status, and history of the claim; and the program under which the claim arose.
