Technical Update GA-2004-08**

September 30, 2004

This information is intended for the person in your organization who is responsible for working with NSLDS. If that person is not you, please forward this update to the appropriate person.

NSLDS is pleased to announce that back-up detail files for GA Annual Reasonability, Account Maintenance Fee (AMF), and Loan Processing Issuance Fee (LPIF), will be available via the Student Aid Internet Gateway (SAIG).

Files will continue to be sent via your current preference, either tape or cartridge, to the person currently designated to receive data submittals. If you wish to receive the back-up detail files through SAIG instead, or want to designate a different person to receive back-up data via tape or cartridge, please complete Attachment A and return it to NSLDS@pearson.com. Only one recipient can be designated for each function (Annual Reasonability, AMF, and LPIF), but the recipient does not need to be the same person for all functions.

The new message classes will be:

Annual Reasonability	GAARYROP (annual calculation)
	GAARQTOP (quarterly calculation)
AMF	GAAMFDOP
LPIF	GALPFDOP
