Dear CHRISTOPHER E. STUDENT,

Thank you for submitting your information for federal student aid to the U.S. Department of Education.

This is your Student Aid Report (SAR) Information Acknowledgement for the **2005-2006** award year. Keep a copy of this SAR Information Acknowledgement for your records.

We have processed your application for federal student aid or the correction that you submitted electronically through your school or on the Web. On the back of this page we printed the information we received and a summary of the results of processing that information. We may have assumed certain information to calculate your eligibility for federal student aid. We printed any assumptions we made and the word "assumed" for the items on the back of this page. You can make corrections by going to [www.fafsa.ed.gov](http://www.fafsa.ed.gov) and using your PIN or by contacting your Financial Aid Administrator (FAA) if:

- the assumptions we made are not correct,
- you need to make other corrections, or
- we indicate below that more information is needed to determine your eligibility.

Contact your FAA if:

- we indicate below you are selected for verification, or
- we indicate below you must work with your FAA to resolve some eligibility issues.

Based on the information you gave us, you are not eligible for a Federal Pell Grant. However, you may be eligible for other types of aid.

Your application has been selected for a review in a process called verification. Your school has the authority to request copies of certain financial documents from you.

This section contains information from your student aid application (shaded items display parents' information, if provided). If you need to make corrections, see the financial aid administrator at your school.
