Dear LAST,

Thank you for submitting your information for federal student aid to the U.S. Department of Education.

This is your Student Aid Report (SAR) for the **2007-2008** award year. Keep a copy of this SAR for your records.

**You (the Student)**

Here is where you are this year in the process of applying for student financial aid:

1. You applied for financial aid by completing a Free Application for Federal Student Aid (FAFSA).
2. **Now you need to check your SAR information and resolve the issues described on page 3.**
3. You will need to verify your information if asked to do so by your school.

**U.S. Department of Education**

Here is where we are in collecting, processing, and storing your information for the 2007-2008 award year:

1. We received your information and processed it. Our results are below.
2. We sent your information and results to you and made them available for the school(s) you listed in Step Six to request.
3. We will update your federal student aid record with any changes you make.

You must give us more information before we can calculate your EFC.

**School(s)**

Here are the steps your school(s) will take to put together your 2007-2008 financial aid package:

1. Your school(s) received your information and our results.
2. Your school(s) may ask you to verify your information.
3. Your school(s) may put together or change an aid package and notify you.

The amount of aid you receive from your school(s) will depend on the cost of attendance at your school(s), your enrollment status (full-time, three-quarter-time, half-time, or less than half-time), Congressional appropriations, and other factors. Review your financial aid notification from your school(s) or contact your Financial Aid Administrator.

**Please read the important information on page 2, and then go to page 3 to see what you need to do next.**

## 2007-2008 Student Aid Report (SAR)

### COMMENTS ABOUT YOUR INFORMATION

There are issues with your FAFSA information that need to be resolved before your eligibility can be determined. Read this letter carefully and review any items printed in darker print on this SAR. If you need to make corrections on this SAR, you and your parent must sign the certification at the end before you send it back to us.

### ISSUES AFFECTING YOUR ELIGIBILITY

The Social Security Administration did not confirm that you are a U.S. citizen. You must provide your school with documentation of your citizenship status before you can receive federal student aid.

The National Student Loan Data System (NSLDS) indicates that one or more of your federal student loans have been discharged. If you have questions, contact the financial aid office at your school.

### WHAT YOU MUST DO NOW

Your parent did not sign your FAFSA or the SAR corrections you submitted. If your parent is not able to sign, see your Financial Aid Administrator or High School Counselor.

We recently received a student aid application with an incomplete name from this address. The applicant should review this SAR and provide his or her full name in Items 1 and 2. If the applicant does not have both a first and a last name, draw a line through both the previous answer and the new answer space for the name that should be left blank.

You must provide answers for your parents' marital status and number of family members in Items 56 and 66.

You must provide your parent(s)' income information in Items 79 through 85.

You must provide asset information for you and your parent(s). Review Items 43 through 45 and Items 87 through 89 and make the necessary corrections.

You must report a valid Social Security Number (SSN), name, and date of birth for your father or mother. If your parent does not have an SSN, you must correct Item 58 and/or 62 to all zeroes.

### OTHER INFORMATION YOU NEED TO KNOW

You reported that you will either have a bachelor's degree by July 1, 2007 (Item 28) or will be working on a degree beyond a bachelor's degree (Item 49). Graduate students are eligible for most types of federal aid, but generally not the Federal Pell Grant.

If you need to make corrections to your information, you may either make them online at [www.fafsa.ed.gov](http://www.fafsa.ed.gov), or by using this SAR. You must use your Federal Student Aid PIN to access your record online. If you need additional help with your SAR, contact your school Financial Aid Administrator or the Federal Student Aid Information Center at 1-800-4-FED-AID (1-800-433-3243). If your mailing address or e-mail address changes, you can make the correction online, send in the correction on your SAR, or call 1-800-4-FED-AID and ask a customer service representative to make the change for you.

## Summary of Federal Student Loans

The information below is the total amount of student loans that you owe as currently reported to us by your loan holder(s). These loans are administered by the U.S. Department of Education (ED). You should confirm that these loan totals are correct. You can use your Federal Student Aid PIN to view details on the individual loans that make up these totals at the National Student Loan Data System (NSLDS) web site at [www.nsls.ed.gov](http://www.nsls.ed.gov). For more information about your Federal Student Aid PIN, go to [www.pin.ed.gov](http://www.pin.ed.gov). If you feel that the amounts listed on this page are incorrect, or you have other questions related to a loan, you should contact the loan servicer indicated on the NSLDS web site. You can obtain general information about each of the types of loans that are listed below by visiting our [studentaid.ed.gov](http://studentaid.ed.gov) web site.

Note that the 'Subsidized' and 'Unsubsidized' amounts include the appropriate portions of any Consolidation Loans you may have. If there is an amount listed for 'FFEL Unallocated Consolidation Loans' it is because we could not determine whether those balances were subsidized or unsubsidized.

Remember you are responsible for repaying all of the amounts that you borrow, plus interest. As a general rule, with an assumed interest rate of 5%, the monthly payment amount over a ten-year repayment period would be approximately \$10.61 for every \$1,000 that you borrowed. Of course your actual repayment amount will depend upon how much you borrow, the interest rate when you enter repayment, and how long your repayment term is.

### Total Amount of Loans Outstanding -

FFEL (Bank Loans) and/or Direct Loans:	Total Principal Balance:	Remaining Amount to Be Disbursed to You, if Any:	Total:
