Glossary of Terms

Ability to Benefit

The Ability-to-Benefit is required of students seeking federal financial aid without a high school diploma or its recognized equivalent. To this end, these students must demonstrate they possess sufficient "ability to benefit" (ATB) from post-secondary education via their performance by successfully passing an approved test, or have successfully earned 6 credits or the equivalent, or participated in a State process approved by the Secretary or were home schooled.

Academic Competitiveness Grant (ACG) Program

A federal financial aid grant awarded to eligible applicants who are in their first or second year of undergraduate study and have completed an academically rigorous secondary school program of study. An eligible student may receive an Academic Competitiveness Grant (ACG) of \$750 for the first academic year of study and \$1,300 for the second academic year of study. This program was only available for the 2006-07 through 2010-11 award years. Please see an applicable award year COD Technical Reference for further information on this program.

Academic Year

A period that begins on the first day of classes and ends on the last day of classes or examinations and that is a minimum of 30 weeks (except as provided in 34 CFR 668.3) of instructional time during which, for an undergraduate educational program, a full-time student is expected to complete at least:

- Twenty-four semester or trimester hours or 36 quarter hours in an educational program whose length is measured in credit hours; or
- Nine hundred clock hours in an educational program whose length is measured in clock hours.

See 34 CFR 668.2 for additional information. Academic years may be scheduled or borrower based. The annual loan limits for a Direct Loan apply to an academic year.

Account

When a record is submitted to COD, the data is organized by student and/or borrower on the COD database. This data is organized into logical groupings called Accounts.

Actual Disbursement Record

A disbursement record submitted to the COD System in order to request or substantiate funding. Actual Disbursement Records post to a student/borrower's award (loan or grant). They either release funds available to a school via draw down or they substantiate cash already made available to the school. Users submit actual disbursement records

on the Common Record Layout with a Disbursement Release Indicator = True.

Additional Eligibility Indicator

A student may receive up to two Pell Awards within a single award year for the 2009-10 and 2010-11 award years only. A student is eligible for an additional Pell Award if he meets the criteria for receiving up to double the Scheduled Federal Pell Grant (SFPG) according to the Higher Education Opportunity Act of 2008. The Additional Eligibility Indicator indicates whether a student is eligible for an additional Pell Award.

Administrative Cost Allowance (ACA)

The Department of Education reimburses institutions participating in the Federal Pell Grant Program \$5 for unduplicated recipients at the school who receive a Pell Grant. This is money paid to schools to offset some of the cost of delivering financial aid to students. This amount is based on the number of Pell recipients reported by the school, including students who withdrew from the school or were transferred, even if all Federal Pell Grant funds were recovered.

Administrative Relief Request

See Extended Processing Request.

Aging of Drawdown

The process of tracking the time elapsed from the date funds were drawn down to the date a school fully substantiates the drawdown by submitting actual disbursement records.

Agreement to Serve (ATS)

The approved agreement that is used for all TEACH Grants.

Anticipated Disbursement Record

Disbursement information submitted on either an Edit Only record or an Origination Record that is not intended to request or substantiate funding. An anticipated disbursement does not post to a student/borrower's award (loan or grant). Users submit anticipated disbursement information on the Common Record with a Disbursement Release Indicator omitted or set to False.

ATS ID

The unique identifier printed on the ATS. It is made up of a student's SSN, 'C' – for TEACH, the last two digits of the award year, the first six digits of a school's OPEID, and a three-digit sequence number.

Example: 123456789C09012345001

Attended School

The school or campus where the student attends class for which Federal Financial Aid funds are being used.

Available Balance

The difference between an obligation and net drawdowns for Pell Grants. Available balance does not include obligations supported by accepted actual disbursements.

Award

An Award refers to the amount of money a student and/or borrower is eligible to receive for a period of time. Awards are designated by program (e.g., Direct Loan or Pell Grant), by institution, and by award year.

Award Year

For Pell Grant, the twelve-month period beginning on July 1st and ending June 30th of the following year. This also applies to what has previously been called the Direct Loan Program Year, which is the period of time (approximately 2 1/2 years in length) in which schools could potentially process a Direct Loan for a particular Award Year.

Batch

A group of records submitted together. Batches can consist of one or more records. Users can submit data for students in a file called a batch. The batch contains a network header record, the Common Record with one or more students / awards / disbursements and the network trailer record. Periodic sweeps of a school's SAIG mailbox are performed to pick up these batches and send them to the COD System for processing.

Booked Loan/ TEACH GRANT

A loan becomes booked when COD has an accepted loan origination record, an MPN was received and has linked to the loan, and an accepted actual disbursement record has been accepted. At this point loan information can be forwarded to the Servicer and loan servicing processes initiated. A TEACH Grant becomes booked when COD has accepted the TEACH Grant origination record, an ATS was received and has linked to the grant, and an accepted actual disbursement record has been accepted.

Call for Cash

Action taken by FSA to request a return of cash received by a school.

Campus-Based Programs

The term applied to three federal Title IV student aid programs administered on campus by eligible institutions of postsecondary education:

- Federal Perkins Loan Program
- Federal Work-Study (FWS) Program
- Federal Supplemental Educational Opportunity Grant (FSEOG) Program

Cash at School

Cash that a school has received, either through self-initiated drawdown or pushed to the school's bank account, minus returned cash.

Central Processing System (CPS)

This is the Department of Education system that processes information from the Free Application for Federal Student Aid (FAFSA), calculates the Expected Family Contribution (EFC) for each applicant, prints the Student Aid Report (SAR), and transmits Institutional Student Information Record (ISIR) data electronically. Data from the CPS system is used by the COD System to verify eligible students.

Common Origination and Disbursement (COD) Process

The COD Process is a common process integrated with a system designed to support origination, disbursement, and reporting of the Pell Grant, TEACH Grant and Direct Loan programs.

Common Origination and Disbursement (COD) System

The COD System is a technical solution designed to accommodate the COD Process for the Pell Grant, TEACH Grant and Direct Loan programs.

Common Record

The Common Record is a data transport mechanism exchanged by trading partners participating in Federal Student Aid. The Common Record is a document formatted in Extensible Markup Language.

Common School Identifier (CSID)

See Routing Identifier

Complex Element

An XML Element that contains other elements. It may also contain text, but it isn't required. Elements contain other elements in order to provide for logical groupings of data. For example, an applicant's name information can be represented by the following XML:

```
<Name>
  <FirstName>Heidi</FirstName>
  <LastName>Smith</LastName>
</Name>
```

Through the nesting of first name and last name information in the Name complex element, the information is logically grouped and the meaning of the group is clear. Complex elements can contain other complex elements so many levels of nesting and organization are possible.

Consolidation Loan

A loan that combines multiple federal student loans into a single loan with one monthly payment.

Correction Edit Codes

Applies to users in the Pell Grant program only. For schools that have selected to have their Pell Grant data corrected rather than rejected, the COD system automatically corrects the data and sends a response to the school that submitted the record indicating that a correction took place, the element corrected, the original value, and the corrected value. Edits that can be corrected, rather than rejected, are indicated with a C/R in the *Volume II, Section 4 - Edits codes in the 2012-2013 COD Technical Reference*.

Cost of Attendance (COA)

Tuition and fees, room and board expenses while attending school, allowances for books and supplies, transportation, loan fees (if applicable) dependent child care costs, costs related to a disability, study-abroad costs, and other miscellaneous expenses, as outlined in Section 472 of the Higher Education Act.

CPS Transaction Number

A transaction number from eligible ISIR used to calculate the award.

Credit Check

A review of a borrowers credit history and a credit check are initiated against the borrower for a PLUS or Grad PLUS Loan when the COD system receives a PLUS or Grad PLUS Loan Award. Parents or graduate and professional students may request an abbreviated credit check to verify eligibility. Authorized users initiate an abbreviated credit check via the web. Before a credit check may be initiated on the web, the school must obtain written permission to conduct the credit check by having the applicant sign either a PLUS MPN or a Credit Check Authorization form. A current credit check is one that has been performed within the last 90 days.

Current Funding Level (CFL)

Total amount of cash available for a school to draw down at any point in time, and is a subset of the school ceiling amount (SCA). A school's current funding level may be adjusted based on the amount of substantiated cash. A change in CFL will directly impact the SCA.

Current Social Security Number

This is the Social Security Number (SSN) that is in the Current Social Security Number field on the greatest CPS Transaction Number used to establish an award for this student on the COD System. Current SSN is a component of the student identifier in the COD System.

Direct Loan Program

A Federal program where the government provides five types of education loans available to students, parents:

- Federal Direct Subsidized Loan (for students)
- Federal Direct Unsubsidized Loan (for students)

- Federal Direct PLUS Loan (for parents and graduate and professional students [Grad PLUS])
- Federal Direct Consolidation Loan (for students and parents)

These loans, which are referred to collectively as Direct Loans, are guaranteed by the U.S. Department of Education.

Disbursement

Title IV program funds are disbursed when a school credits a student's account with funds or pays a student or parent directly with either:

- Title IV funds received from ED
- Federal Family Education Loan (FFEL) Program funds received from a lender or,
- Institution funds used before receiving Title IV program funds.

Disbursement Release Indicator

The Disbursement Release Indicator is a tag on the Common Record that designates a record as an Actual Disbursement Record. It signals the COD System to post the amount of disbursement to an award (loan/grant). Formerly referred to as the Payment Trigger Flag.

Document

In the context of XML, a document is a message or data transmission and is a combination of markup and content. Markup is a type of language contained within start and end tags. Content is the data that falls between the tags. A Common Record message or transmission is considered to be an XML document. A Common Record document can be thought of as a batch.

Drawdown

A drawdown occurs when a school or COD, on behalf of a school, initiates a request for money through G5, and the funds are transmitted from the US Treasury to the school's bank account.

Edit/Comment Codes

These are a series of numeric codes that explain processing results, including data corrections, duplicates, and record rejects, for specific processed records for all award years.

Edit Only Record

In the COD Process, a record sent with anticipated disbursement information for editing purposes only. Edit Only Records may originate an award, but are not intended to request or report funds. Schools using the Common Record submit a record with the Disbursement Release Indicator set to False.

Element

XML documents consist of elements that are preceded and terminated with tags. An example of an element is <LastName>Smith</LastName>, where LastName is an element.

Eligible Applicant

An eligible applicant is a student who has submitted a Free Application for Federal Student Aid (FAFSA) and meets the eligibility requirements Title IV financial aid. The student must be currently enrolled or be a prospective student at a postsecondary school which is eligible to participate in Student Financial Aid programs.

Eligible Program

An educational program that meets regulatory requirements for participating in Title IV programs.

Eligibility Used

The Eligibility Used percentage is calculated by summing all of the accepted actual disbursement records for this student at the attended institution and dividing that amount by the Scheduled Federal Pell Grant Award at the attended institution.

Endorser

A person who signs a PLUS loan on behalf of the parent or graduate student because the parent's or graduate student's credit check was declined. The endorser accepts full financial responsibility to pay back the PLUS loan if the parent does not do so.

Enrollment Date

The first date that the student was enrolled in an eligible program for the designated award year. If the student enrolled in a crossover payment period before the first day of the Pell award year (July 1), but which will be paid from 2011-2012 funds, report the actual start date of the student's classes for that payment period.

Enrollment School Code

The 8 digit OPEID for the physical location where the student is attending class.

Enterprise Application Integration Bus (EAI Bus)

This system acts as a bridge between schools, related systems and the COD System. It transmits information from schools' SAIG mailbox to COD and vice versa. Also, referred to as Middleware.

Enterprise Wide

FSA is seeking solutions, which support all of the FSA enterprise, not just a departmental solution.

Expected Family Contribution (EFC)

The figure that indicates how much of family's financial resources should be available to help pay a student's postsecondary education expenses. This figure, which is determined according to a statutorily defined method known as the federal Need Analysis Methodology, is used for all students in determining eligibility for Title IV student financial aid. Rejected CPS transactions appear on COD and can only be used to award unsubsidized loans. No EFC is calculated for rejected CPS transactions, however, on COD the EFC for rejected transactions will display as all nines. Rejected CPS transactions will only be reflected on COD for 2008-2009 and forward.

Extended Processing

The Direct Loan Program provides award relief during extenuating circumstances. An institution may request extended processing if it is unable to meet the processing deadline (also known as Closeout Deadline). The Department of Education grants extended processing due to either an event, such as a natural disaster, or a processing error. The Federal Pell Grant Program provides grant relief during extenuating circumstances. An institution may request administrative relief when it is unable to meet the September 30th deadline for submitting records, due to either an event, such as a natural disaster, or a processing error.

Federal Pell Grant Payment Schedule

The Schedule of Federal Pell Grant Awards. The Schedule is based on the EFC, the enrollment status, and the school COA. The schedule is usually posted in January on the IFAP Web site for the upcoming award year.

Federal Pell Grant Program

A type of federal financial aid awarded to eligible, qualified applicants. A Federal Pell Grant, unlike a loan, does not need to be repaid. Generally, Pell Grants are awarded only to undergraduate students that have not earned a bachelor's or professional degree.

Federal Supplemental Education Opportunity Grant (FSEOG)

A campus-based aid program that provides grant assistance to students with financial need who are in undergraduate programs and have not earned a bachelor's degree or first professional degree. Priority in awarding FSEOG funds is given to students who have exceptional financial need and are Federal Pell Grant recipients.

Financial Aid Management System (FMS)

This system is the general ledger for FSA. FMS works with G5 to communicate financial information and to pay out disbursements to schools.

FISAP

Fiscal Operations Report and Application to Participate in Campus-Based Programs. A report showing how a school spent allocated funds during the prior award year and an application to participate in the upcoming award year that must be submitted annually by schools that participate in any of the Campus-Based Programs.

Free Application for Federal Student Aid (FAFSA)

This is the application that must be filed by an applicant to apply for any student financial aid distributed by the federal government.

Please visit <http://www.fafsa.ed.gov/> for more information.

Freeze Cash

Action FSA takes to eliminate a school's ability to draw additional funds. A Freeze Cash is usually preceded by a Call for Cash.

FSA

The Office of Federal Student Aid within the U.S. Department of Education.

Full Response

A Common Record response document that contains all of the original tags and data sent by the school and the processing results, edit codes, and rejected data elements.

G5

G5 (the system formerly known as GAPS) is the system used by the U.S. Department of Education's Office of Chief Financial Officer to process school-specific obligations and to make payments (drawdowns) against those obligations. G5 communicates with the COD system through FMS. G5 is part of EDCAPS and interfaces directly with U.S. Treasury's Federal Reserve System.

Information for Financial Aid Professionals (IFAP)

This FSA web site (<http://www.ifap.ed.gov>) provides information to financial aid professionals in the areas of Title IV federal programs, publications, regulations, and correspondence regarding administration of Title IV federal programs. This Web site also maintains Action Letters, Dear Partner Letters, Direct Loan Bulletins, Electronic Announcements (P-Messages), Federal Registers, and FSA Handbooks issued by the US Department of Education.

Institutional Student Information Record (ISIR)

This is the electronic version of the Student Aid Report (SAR) that indicates eligibility for the Federal Pell Grant Program. The ISIR contains the family's financial and other information reported on the Free Application for Federal Student Aid (FAFSA), as well as key processing results and National Student Loan Data System (NSLDS) Financial Aid History information. It is transmitted electronically to postsecondary schools and state educational agencies.

Iraq Afghanistan Service Grant Indicator (IAS Grant)

Iraq and Afghanistan Service Grant Indicator will be added to the Pell create award screen for Award Years 2010-2011 and forward. This indicator will allow Pell ineligible students, identified by the Department of Defense as a dependent of a parent or guardian who died as a result of service in Iraq or Afghanistan, to be awarded Iraq and Afghanistan Service Grant funds.

Lifetime Eligibility Used (LEU)

The sum of all Eligibility Used (EU) percentages for Pell recipients..

Loan Origination Center (LOC)

The Loan Origination Center located in Montgomery, Alabama provides origination servicing to Direct Loans for the 2001-2002 and prior award years. The LOC continues to receive paper MPNs for 2002-2003 and forward.

Master Promissory Note (MPN)

The approved promissory note that is used for all Direct Subsidized and Unsubsidized Loans, Grad PLUS Loans and Parent PLUS Loans.

Middleware

See Enterprise Application Integration Bus

MPN Acknowledgement

Term used for the COD response, which is sent to schools upon receipt of an MPN once edits have been performed and the linking attempted by COD.

MPN ID

The unique identifier printed on the MPN. It is made up of a student's SSN, 'M' – for subsidized or unsubsidized, 'N' – for Parent PLUS and Grad PLUS, the last two digits of the award year, a school's Direct Loan code, and a three-digit sequence number.

Example: 123456789M07G12345001

Multiple Reporting Record (MRR)

For the Pell Grant, ACG, and National SMART Grant programs, the Multiple Report Record (MRR) identifies originations and/or disbursements being reported by more than one institution for the same student. The multiple report records are designed to provide institutions with information to identify and resolve potential overaward payments and concurrent enrollments before they occur. Institutions may request records identifying the institutions which have originated or disbursed for specific recipients, specific institutions, or for all students originated at their school. This request can be done electronically through the COD web site or by phone to COD School Relations Center (1-800-474-7268).

Multi-Year (MY) Feature

A feature of the Master Promissory Note, which allows multiple Direct Loans for the same student/borrower to link to the same MPN. Beginning in 2003-2004 award year, all domestic Direct Loan schools are eligible to use the Multi-Year Feature of the MPN. Once an MPN has been accepted and remains open, schools that use this feature do not have to obtain a new promissory note each academic year. The MPN may be valid for up to 10 years.

National Science and Mathematics Access to Retain Talent (SMART) Grant Program

A federal financial aid grant awarded to eligible applicants who are majoring in specific science, math, or foreign language courses of study, and are enrolled in a four-year degree granting institution. This program was only available for the 2006-07 through 2010-11 award years. Please see an applicable award year COD Technical Reference for further information on this program.

National Student Loan Data System (NSLDS)

As a Title IV automated system, the National Student Loan Data System, or NSLDS, is a national database of information about loans and other financial aid awarded to students under Title IV of the Higher Education Act of 1965. This system prescreens applications for Title IV aid, supports program administrative research functions, and improves Title IV aid delivery through automation and standardization.

Option

Parameter or criterion used to process information by the COD System. Schools have the ability to set some processing options by accessing the COD web site (<http://www.cod.ed.gov>) or contacting the COD School Relations Center and requesting that an option be updated by FSA. See Volume II, Section 1 – Implementation Guide under School Processing Options in the 2012-2013 COD Technical Reference for more information.

PLUS

PLUS loans enable parents to borrow federal funds to pay the education expenses of each child who is a dependent undergraduate student. PLUS loans are part of the Federal Direct Loan program. PLUS loans also allow graduate and professional students to borrow federal funds to pay their educational expenses up to the cost of attendance, minus other aid. Loans made to graduate/professional students are referred to as Grad PLUS loans.

Payment Analyst

Formerly referred to as Reimbursement Analyst. An FSA employee who ensures that schools have accurately determined FSA eligibility of and payment to each student, with sufficient funds in the school's G5 account, and submits documentation to that effect.

Payment to Servicer Amount

Amount of payment sent to the Servicer by the borrower within 120 days of the disbursement date. COD receives this information from the Direct Loan Servicing System and generates a Payment to Servicer Response/Acknowledgement to the school.

Perkins

The Federal Perkins Loan Program provides low-interest loans to help needy students finance the costs of postsecondary education.

Note: Federal Perkins Loans are not currently processed in the COD System.

Post 9/11 Deceased Veteran Dependent

A Pell eligible student who is a dependent of an armed forces member who died as a result of performing military service in Iraq or Afghanistan after September 11, 2001 is eligible for Pell Grants with Zero Expected Family Contribution (EFC) beginning with Award Year 2009-2010 and forward.

Postsecondary Education Participants System (PEPS)

PEPS is the U.S. Department of Education system that provides the COD system with school eligibility information.

Pell Overaward Process (POP)

Federal Pell Grant recipients are allowed to receive a maximum of one full Scheduled Pell Grant during an award year. The COD System is programmed to calculate the percentage of Scheduled Pell Grant used (based on Section 690.65 of the regulations) each time a school reports a disbursement to the student. Any amount exceeding 100 percent of a full Scheduled Pell Grant represents an overaward situation. The COD System allows a potential overaward situation to exist for 30 days and sends a warning to all schools involved before reducing all of the students Pell Grant disbursements for that award year to zero.

Promissory Note

A legally binding contract between a lender and a borrower that contains the terms and conditions of the loan, including how the loan is to be repaid. It becomes legally binding when signed (executed) by the borrower.

Receipt

The COD System returns a receipt for every Common Record document that is received via SAIG and can be read by the COD System. The COD System returns a receipt after it validates the Common Record against the XML Schema, but before actual processing of the Common Record.

Reject Edit Codes

The system does not continue processing the record and sends a response/acknowledgement to the school indicating the reject reason and the relevant data element.

Release Record

In the COD Process, a record that changes an Edit Only or anticipated disbursement to an Actual Disbursement Record. Schools using the Common Record submit a new record with the Disbursement Release Indicator set to True.

Reporting School

The school that sends and receives data for the campuses or students it serves. The Reporting School must be a school and cannot be a 3rd Party Servicer.

Response

The Common Record document sent back to the school after processing of an incoming Common Record document is complete. This Common Record contains processing results and edit codes and may be either a Full or Standard Response.

Routing Identifier

An identifier established by the U.S. Department of Education in Award Year 2002-2003 as an identifier assigned to schools and Third Party Servicers that is common across the Pell Grant and Direct Loan programs. It is a randomly generated eight-digit number that replaces the Pell Institution Number and Direct Loan (E/G) School code for the reporting of Pell Grant and Direct Loan data. It was previously referred to as the Common School Identifier (CSID).

School Closeout

The process of identifying and submitting any outstanding records for an award year and returning any money for which there are no records to substantiate its use.

Simple Element

An XML Element that does not contain any other elements. A Simple Element contains only text. An example of a Simple Element is:

```
<LastName>Smith</LastName>
```

Single Year (SY) Feature

A feature of the Master Promissory Note which allows multiple Direct Loans for the same student/borrower with the same academic year from the same school to link to the same MPN. The Single Year Feature applies to schools that choose not to use the Multi-Year Feature. Schools that choose to use this feature must obtain a new promissory note for each academic year.

Standard Response

A Common Record response document that contains only the processing results, edit codes, and rejected data elements.

Student Aid Internet Gateway (SAIG)

The SAIG (formerly TIVWAN) is the internet-based mailbox system used to transmit data between the schools and the U.S. Department of Education systems. Schools must enroll in SAIG before they can begin transmitting records to COD.

Student Aid Report (SAR)

After the student's FAFSA is processed by the Central Processing System, the processor produces a Student Aid Report (SAR) that is sent to the student. The SAR reports the information from the student's application and, if there are no questions or problems with the application, the Expected Family Contribution (EFC), the number used in determining the eligibility for federal student aid, and the student's financial aid history.

Subsidized Direct Loan

A subsidized loan (sub) loan is a Direct Loan given to an undergraduate student that does not begin accruing interest charges until six months after the student has left school. The federal government does not charge interest while the student is in school at least half-time, during the grace period, or during deferments (postponements of repayment).

Substantiate

The act of accounting for funds already drawn. In the COD Process, institutions can substantiate funds by sending in an Actual Disbursement Record.

Tag

A tag is an element name that is used inside brackets to denote the beginning and end of content. For example,

`<LastName>Jones</LastName>` uses the tag of LastName.

Teacher Education Assistance for College and Higher Education (TEACH) Grant

As a result of the College Cost Reduction and Access Act (CCRAA) of 2007, the Teacher Education Assistance for College and Higher Education (TEACH) Grant program is offered beginning with the 2008-2009 Award Year. The TEACH program provides funds to students who, in return, agree to teach four years within the first eight years of their graduation. Students must complete an Agreement To Serve (ATS), after which they may qualify for up to \$4,000 in a single award. Failure to meet the terms of the Agreement To Serve may result in forfeiture of the grant, which becomes an Unsubsidized Direct Loan that the student must repay.

Third-Party Servicer

An individual or a State, or a private, profit or non-profit organization that enters into contract with an eligible institution (school) to administer, through either manual or automated processing, any aspect of the institution's (school's) participation in any Title IV, HEA program.

Title IV Student Financial Aid

Federal financial aid programs for students attending postsecondary educational schools, authorized under Title IV of the Higher Education Act of 1965, as amended. The programs are administered by the U.S. Department of Education. Title IV programs consist of:

- Academic Competitiveness Grant (ACG)
- Federal Consolidation Loans
- Federal Direct Student Loans
- Federal Family Education Loan (FFEL) Program
- Federal Pell Grants
- Federal Perkins Loans
- Federal Supplemental Educational Opportunity Grant (FSEOG)
- Federal Work Study (FWS)
- Gaining Early Awareness and Readiness for Undergraduates Program (GEAR-UP)
- Iraq and Afghanistan Service Grant (IASG)
- Leveraging Educational Assistance Program (LEAP)
- National Science and Mathematics Access to Retain Talents (SMART) Grant
- Robert C. Byrd Honors Scholarships
- Teacher Education Assistance for College and Higher Education (TEACH) Grant

Total Eligibility Used

The sum of all Pell Eligibility Used for the Award Year.

Trading Partner

Two parties that exchange electronic data. Trading partners include: COD and schools; FFEL partners and schools; state grant agencies and schools; and alternative loan partners and schools.

Unbooked Loan/TEACH Grant

A loan/TEACH Grant which does not have an accepted actual disbursement and/or is not linked to an accepted Direct Loan Promissory Note or TEACH Grant Agreement To Serve.

Unsubsidized Direct Loan

An unsubsidized (unsub) loan is a Direct Loan given to a student that will begin accruing interest charges from the disbursement date forward. The federal government charges interest to students on these loans from the date of disbursement. While the student is in school, in the grace period, or in deferment, students are not required to make payments on the loans, but may choose to do so.

VDC

Virtual Data Center

Unsubstantiated Cash

Calculated as net cash at school (i.e. net excess cash returns) received for the award year, not including cash at schools for the last 30 days minus total accepted disbursements (booked disbursements for DL) for award year.

Warning Edit Codes

The record is processed, but a warning is sent to the school to alert them to a possible regulatory violation. The response/acknowledgement sent includes a code indicating a warning, the warning type, and the relevant data element.

XML

Extensible Markup Language.

XML Schema

XML Schema specifies the rules surrounding the structure of an XML document. It defines the elements present in the document and the order in which they appear, as well as any attributes that may be associated with an element.

Funding Methods

VOLUME VI
SECTION  2

This section describes the methods for delivering cash to schools, Advance Funded and Heightened Cash Monitoring 1 and 2. Here you will find more information regarding those delivery methods as well as controls and processing options pertinent to funding.

Current Funding Level (CFL)

The CFL is the total (cumulative award year to date) amount of funding authorization given to a school at any point of time. The available balance, or the amount the school can draw/receive, is its CFL minus net drawdowns. A separate CFL is maintained for each program by award year. A school's CFL may be adjusted upwards and/or downwards based on reported disbursements and other activity throughout the year.

Business Rules

1. The CFL can be increased by FSA to reflect the needs of a school.
2. The current CFL for a school, each cash transaction, and the amount of that cash transaction that has been substantiated can be viewed on the COD web site.
3. If a school determines that the CFL is not at an appropriate level, the school can contact their customer service representative and request that FSA increase their CFL.
4. When a school's total accepted actual disbursement records exceed net drawdowns, funds are made available for the school to draw through the G5 System.
5. If drawdowns are not substantiated fully within a prescribed period of time, the school's access to cash may be restricted.
6. Schools are contacted by a Customer Service Representative as soon as it appears that the school is having difficulty substantiating drawdowns in a timely manner.
7. If access to cash is to be restricted, schools will receive electronic warning notices and/or letters from Customer Service and/or FSA.

G5 System

The G5 System was formerly known as the Grant Administration and Payment System (GAPS)

Funding Methods

There is one method for delivering cash to schools:

- Advance Funded

Advance Funded

Under the Advance Funded delivery method, schools initiate draw down requests through the G5 System. Schools may only draw down cash up to their available balance. The available balance is the difference between the school's CFL and their net drawdown amount for a given award year and program. The U.S. Treasury transmits funds electronically to a school's bank account.

Funding Controls

Schools' ability to receive cash to fund their Pell Grants, TEACH Grants, and Direct Loans is contingent upon submitting actual disbursement records. The business rules associated with the Advance Funded and the three (3) review statuses (HCM1, HCM2, and Reimbursement) are listed below:

Advance Funded

Under Advance Funded, schools can submit actual disbursement records in Advance of, on, or after the disbursement date.

Business Rules

1. Schools can initiate drawdowns through the G5 System, based on their immediate need and cash management regulations, up to their available CFL.
2. At the beginning of each award year, a school's initial CFL amount is calculated for Direct Loans on the basis of the school's prior year disbursement history.
3. Advance Funded schools will not receive an initial CFL for the Pell Grant and TEACH Grant Programs prior to having records accepted by COD. A school's CFL will increase based on accepted and posted actual disbursements.
4. Each drawdown a school receives must be substantiated with actual disbursements submitted and accepted by the COD System.
5. Actual disbursement records can be submitted within the following parameters:
 - a. For Pell, TEACH Grant, and Direct Loan programs, up to seven (7) calendar days prior to the disbursement date.
6. Actual disbursements are applied to substantiate drawdowns on a first-in/first-out basis.
7. The CFL may change throughout the year as the school transmits actual disbursement information on a "timely basis" and the COD System accepts the disbursements. A school's CFL can be decreased according to the program specific requirements and/or activity.
8. For Direct Loan, all schools are required to have an accepted origination record and accepted MPN before COD will accept actual disbursements.

Heightened Cash Monitoring 1 (HCM1)

A school can be placed on Heightened Cash Monitoring 1 (HCM1) review status by FSA. Under the HCM1 review status, schools may draw down cash through the G5 System based on actual disbursements submitted to and accepted by the COD System.

Business Rules

1. HCM1 schools will not receive an initial CFL for the Pell Grant, Direct Loan and TEACH Grant Programs prior to having records accepted by COD. The school is given a first CFL increase when their first disbursement is accepted and posted by COD.
 - a. The school's CFL will equal its net accepted actual disbursements.
2. Actual disbursements can be submitted up to seven (7) calendar days before the disbursement date.
3. Schools placed on HCM1 are required to submit documentation of disbursements as directed by FSA.

Heightened Cash Monitoring 2 (HCM2)

A school is placed on Heightened Cash Monitoring 2 (HCM2) by FSA. Under the HCM2 funding control, the FSA School Participation Division initiates a drawdown through the G5 System on behalf of a school and direct cash payments are deposited in the school's bank account based on actual disbursements submitted to and accepted by the COD System and released by the FSA School Participation Team.

Business Rules

1. For Pell Grant, TEACH Grant, and Direct Loan Heightened Cash Monitoring 2 (HCM2) uses the Advance Funding delivery method.
 - a. The FSA School Participation Division initiates the drawdown through the G5 System upon review of required documentation.
2. Actual disbursements must be submitted on or after the disbursement date.
3. Direct Loan, TEACH Grant and Pell Grant, schools do not receive an initial CFL prior to having records accepted by COD. CFL increases are based on accepted and posted actual disbursements.
4. Schools placed on HCM2 are required to submit documentation of disbursements as directed by FSA.

Reimbursement

Under the Reimbursement review status, the FSA School Participation Division initiates a drawdown through the G5 System on behalf of a school and direct cash payments are deposited in the school's bank account based on actual disbursements submitted to and accepted by the COD System and released by the FSA School Participation Division.

Business Rules

1. For Pell Grant, Direct Loan, and TEACH Grant schools on Reimbursement use the Advance Funded delivery method.
 - a. The FSA School Participation Team initiates the drawdown through the G5 System upon review of required documentation.

2. Actual disbursements must be submitted on or after the disbursement date.
3. Pell Grant, TEACH Grant, and Direct Loan schools do not receive an initial CFL prior to having records accepted by COD. CFL increases are based on accepted and posted actual disbursements.
4. Schools placed on Reimbursement are required to submit documentation of disbursements as directed by FSA.

COD Web Site Access

Beginning in May 2013, the COD Website will no longer be used to create new users or conduct password maintenance. All COD Website users will be required to register through the Federal Student Aid Participation Management System. All COD Website password maintenance will be done via the current process using the Access and Identity Management System (AIMS) website. Additional information will be available via electronic announcements. The information listed below will continue to be accurate until May 2013.

Schools and Third-Party Servicers who wish to receive on-line access to the COD web site must identify personnel to serve as administrators. Administrators will be able to establish additional users within their individual organizations and provide access to the COD web site. The number of administrators is at the discretion of the institution, although it is strongly recommended that the number be limited.

System Administrator Request

In order to establish an administrator account for the COD web site, organizations should submit an administrator request letter printed on university or corporate letterhead to the COD School Relations Center at:

Third Party Vendor Information

Third-Party vendor information is requested for information purposes only, and will help COD provide better customer service. This information DOES NOT authorize third-party servicers or vendors to access your school's data.

School Security Administrators are authorized to set up additional users at their school ONLY. School Security Administrators should NOT set up user IDs or passwords for third-party servicers and/or vendors used by their institution. Third-Party Servicers are responsible for requesting their own Security Administrator. Due to relationship data stored within COD, third-party servicer web users will be able to view data for the schools that they have a relationship with.

- Third-Party Vendor Used By School (if any)
- Security administrator's signature
- School approving authority's name, title, and signature (e.g., Financial Aid Director).

After the COD Relations Service Center has successfully processed the administrator request, administrators will receive their User ID and password through the email address provided in the response letter. An initial email will contain the assigned User ID for the COD web site, along with instructions for accessing the web site. For security purposes, the password will be delivered in a separate email.

Rules of Behavior

Schools are encouraged, but not required, to establish Rules of Behavior as part of their business processes related to the COD System. The Rules of Behavior developed by the United States Department of Education are available for reference. Please note that these rules have been established for Department of Education employees. Your institution's rules may be different, but should cover all the areas covered in this example.

Introduction

A good security posture supports the business purpose of the organization. Rules of behavior are designed to provide a schema for sustaining the business process, minimizing disruption, maintaining the ability to continue customer support, and supporting a planned and orderly restoration of service in an emergency.

Federal Student Aid (FSA), Common Origination and Disbursement (COD), processes and stores a variety of sensitive data that is provided by students, colleges/universities, financial, and Government institutions. This information requires protection from unauthorized access, disclosure, or modification based on confidentiality, integrity, and availability requirements. The "Rules of Behavior" apply to all employees/users (including corporate, Government, Modernization Partner, and Trading Partner) of the FSA/COD computer system and their host applications.

The rules delineate responsibilities and expectations for all individuals supporting the COD programs. Non-compliance of these rules will be enforced through sanctions commensurate with the level of infraction. Depending on the severity of the violation, sanctions may range from a verbal or written warning, removal of system privileges/access for a specific period of time, reassignment to other duties, or termination. Violation of these rules and responsibilities could potentially result in prosecution under local, State, and/or Federal law.

Physical Security

- Keep all badges, access codes, and keys under personal protection.
- Wear your assigned identification security badge at all times while in the office/building.
- Ensure your visitors have signed the visitor's log/are escorted at all times.
- Never allow any individual who does not have proper identification access to the office space.
- Stop and question any individual who does not have proper identification, and contact Security immediately. Seek the support and cooperation of co-workers as appropriate.

- Maintain control over your corporate/Government provided hardware/software to prevent theft, unauthorized use/disclosure, misuse, denial of service, destruction/alteration of data, and/or violation of Privacy Act restrictions.
- Keep your desk clean to ensure that sensitive and proprietary information does not get hidden in minutia and therefore not properly secured/protected when not in use because it is not visible.

Computer Virus Protection

- Use the approved anti-virus software on your personal computer.
- Avoid booting from the A: drive.
- Scan all new diskettes before using or distributing them.
- Write-protect all original vendor-supplied diskettes.
- Back up all data on your workstation and file server regularly.
- Use only authorized and appropriately licensed software.
- Report all incidents of computer viruses to your System Security Officer (SSO) or Manager.
- Do not download, introduce, or use unauthorized software from unknown or unverifiable sources. All users are required to comply with safe computing practices to reduce the risk of damage by any type of computer virus.

Computer System Responsibilities

- Do not make copies of system configuration files (that is, /etc/passwd) for your own use, unauthorized use, or to provide to others for unauthorized use.
- Do not attempt to access any data or programs on the COD system for which you do not have authorization or explicit consent from the owner of the data or program.
- Do not, without specific authorization, read, alter, or delete any other person's computer files or electronic mail (E-mail), even if the operating system of the computer allows you to do so.
- Do not engage in, encourage, or conceal any "hacking" or "cracking," denial of service, unauthorized tampering, or unauthorized attempted use of (or deliberate disruption of) any computer system within the COD program.
- Do not purposely engage in any activity with the intent to:
 - Degrade the performance of the system;
 - Deprive an authorized user access to a resource;
 - Obtain or attempt to obtain extra resources beyond those allocated; or

- Circumvent security measures in order to gain access to any automated system for which proper authorization has not been granted.
- Do not download, install, or run security programs or utilities that might reveal weaknesses in the security measures or access privileges of any system. Inform the SSO when you find such a weakness.
- No user, software developer, or Web developer should write or put into production any computer code, program, or script that is considered to be a *Trojan Horse* or any *back door* means of accessing the system or applications.
- Any user that is found to introduce *Trojan Horse* type code, program, or script, is subject to prosecution under local, State, and Federal law and is subject to local department/corporate policies that enforce disciplinary action up to and including dismissal. This policy includes the use of `.rhosts` and `.netrc` files in any user's home directory for the purpose of avoiding entering keystrokes to gain access to any system.
- No user of any software application should attempt to circumvent any security measures for that application.
- Users should access only the resources of an application that are necessary to perform their job assignments, even though an application may grant further access privileges.

Trojan Horses

A Trojan horse is an application that attempt to circumvent any security measures

Unofficial use of Government equipment

- Users should be aware that personal use of information resources is not authorized unless sanctioned by management.
- Do not utilize corporate/Government resources for commercial activity or any venture related to personal profit or gain.
- Do not utilize corporate/Government resources for behaviors that are unethical or unacceptable for the work environment.

Remote access

- The project may authorize remote access to COD. It is understood that remote access poses additional security risks, but may become necessary for certain job functions.
- If remote access is allowed, the CIO and the security office will regularly review telecommunications logs and COD phone records, and conduct spot-checks to determine if COD business functions are complying with controls placed on the use of dial-in lines.
- All remote access calls will use appropriate passwords.
- Do not divulge remote access details to anyone. If an employee needs dial-up access, refer him or her to the Technical Architecture team.

Connection to the Internet

- Use of corporate/Government resources to access the Internet must be approved, and the access should be used for authorized business purposes only.
- Use of corporate/Government resources for accessing the Internet for personal gain or profit, even though you may be using your own ISP, and on your lunch hour/break, is unacceptable.
- Use of corporate/Government provided Internet access is subject to monitoring. Accessing web sites that contain material that is deemed by management to be inappropriate for the workplace, including but not limited to obscene, or sexually oriented material, is prohibited. Disciplinary action may be taken.

E-Mail

- Users will take full responsibility for messages that they transmit through corporate/Government computers and networks facilities.
- Laws and policies against fraud, harassment, obscenity, and other objectionable material apply to electronic communications as well as any other media. Corporate, local, state, and federal laws/rules and regulations may also apply.
- All e-mail that is transmitted on corporate/Government servers is subject to monitoring by corporate/Government personnel.

Copyright

- Never install or use any software that has not been specifically licensed or authorized for use.
- Never download software from the Internet to corporate/Government systems (which is strictly prohibited) without prior authorization/approval. Follow defined procedures for downloading software.
- Adhere to all purchased software copyright, duplication requirements, and license agreements that are imposed by the vendor. Violations place the individual, the corporation, and/or the Government at risk.
- Copyright licenses for software used by COD program personnel must be understood and complied with.

User IDs

- Do not share user identification (IDs) or system accounts with any individual.
- When leaving a session unattended for a short period of time, lock the keyboard with a password-protected screen saver.
- Employ the automatic password/screen saver option feature offered by the operating system (in Windows, use **SETTINGS, DISPLAY, SCREEN SAVER**) and set the time for 15 minutes as a minimum.)

- Logoff when leaving your session unattended for an extended period of time.
- Be aware of logon and logoff times to ensure that someone else is not using your ID.

Passwords

Your password SHOULD...

- Be difficult to guess (Do not use names that are easily identified with you or appear in a dictionary, to include anniversary dates, etc.)
- Be changed frequently (at least every 90 days).
- Contain a minimum of 8 characters in length.
- Contain alphabetic and numeric characters (1 special character, 4/5 alphabet, 3/2 numeric).
- Contain at least three of the four criteria: upper case, lower case, number, or special character.
- Be changed immediately if you suspect it has been compromised.

Your password SHOULD NOT...

- Have the same character/alphanumeric appear more than once.
- Be shared with anyone.
- Be written down, posted on a “yellow stickie” stuck to your monitor or computer, documented on your calendar, stored in your wallet or purse, etc.
- Be stored on a programmable key.

Do Not check the memorize password feature on your system, which would eliminate the necessity to respond to a password prompt with other than pressing the RETURN key.

Users

- Users are personnel authorized and able to access department IT assets. They include operators, administrators, and system/network maintenance personnel.
- All users are expected to understand and comply with this policy document and its requirements.
- Questions about the policy should be directed to the appropriate CSO or the DCIO/IA.

All users will report security problems or incidents to their respective SSOs or other appropriate security official as soon as practical. Violations of security policies may lead to revocation of system access or disciplinary action up to and including termination.

Privacy Act Data Protection

- Privacy Act data must not be transmitted unprotected.
- Privacy Act data includes: SSN, Name, Date of Birth, Mother's Maiden Name, and other information used to identify a specific individual.
- Documents containing privacy act data are to be password protected using that month's password when distributed electronically.
- The password is distributed monthly by the FSA SSO.
- Contact your company's COD System Security Officer if you need to be added to the distribution list for the monthly password.
- Notify your SSO if any violations of this policy occur.

Other Policies and Procedures

The Rules of Behavior are not to be used in place of existing policy, rather they are intended to enhance and further define the specific rules each user must follow while accessing the COD system. The rules are consistent with the policy and procedures described, but not limited to, the following directives:

- Freedom of Information Act.
- Privacy Act.
- Computer Security Act.
- Government Information Security Reform Act (GISRA).
- OMB publications.
- National Institute of Standards and Technology (NIST) publications.
- Network security manuals/procedures.
- System security manuals/procedures.
- Personnel security manuals/procedures.
- Software security manuals/procedures.
- Department of Education publications.

These responsibilities will be reinforced through scheduled security awareness training.

I acknowledge receipt of, understand my responsibilities, and will comply with the “Rules of Behavior” for the COD System. I understand that failure to abide by the above rules and responsibilities may lead to disciplinary action up to and including dismissal. I further understand that violation of these rules and responsibilities may be prosecutable under local, State, and/or Federal law.

The Common Origination and Disbursement Process utilizes one single record across programs for both originations and disbursements. Users utilize a Common Record – one that uses common data elements, definitions, edits, and structure for Grants and Direct Loans. Although the record has the same layout for all programs, not all data elements are required for each transmission. This new record layout relies on a technology called the eXtensible Markup Language, or XML.

This section provides examples of some of the COD Receipt and Response Documents. For additional information regarding business rules, please refer to Volume II, Section 1: Implementation Guide. For additional information regarding XML and the Common Record, please refer to Volume I, Section 3: COD Overview of this technical reference.

Direct Loan Forms

Creating Master Promissory Note Paper Manifests

All promissory notes must be mailed and accepted by COD before the loans are booked. The hard copy promissory notes must be accompanied by a paper manifest that lists the borrower's name and MPN ID for each promissory note in the shipment. Also, the paper manifest provides a certification to be signed by an official at the school. A sample Direct Subsidized/Unsubsidized Loan MPN Paper Manifest, a sample Grad PLUS Loan MPN Paper Manifest, and a sample Direct PLUS Loan MPN Paper Manifest are provided below.

Business Rules

1. Subsidized/Unsubsidized MPNs, Grad PLUS MPNs and PLUS MPNs must be batched separately and a separate paper manifest created for each batch.
2. Additionally, separate batches and manifests must be created for each DL school code.
3. Each batch may contain up to 100 notes.
4. After processing, the manifest is returned to the school address on the promissory note unless the school indicates another address on the manifest.
5. The Report Date (in MM/DD/YYYY format) and the Report Time (in HH:MM:SS format) indicate when the manifest was produced.
6. A page number starting with 1, incremented by 1 for each subsequent page printed, is included on each page of the manifest.
7. Records are printed in the last name alphabetical order, or numerical borrower ID order. The borrower's name is printed in last name, first name, and middle initial order. The Loan ID associated with borrower's name is printed.
8. The number of notes for shipping indicates the number of promissory notes covered by the paper manifest. It is only printed on the final page of the paper manifest.
9. The certification statement, DL school code, school name, signature block, and Financial Aid Administrator (FAA) name are only printed on the last page.

Revised Direct Subsidized/Unsubsidized Loan Plain Language Disclosure (PLD)

A sample Direct Subsidized/Unsubsidized Loan Plain Language Disclosure revised as a result of the Higher Education Reconciliation Act (HERA) of 2005 is included below:

Plain Language Disclosure for Direct Subsidized Loans and Direct Unsubsidized Loans William D. Ford Federal Direct Loan Program

1. General information. You are receiving a Direct Subsidized Loan and/or Direct Unsubsidized Loan to help cover the costs of your education. This Plain Language Disclosure (Disclosure) summarizes information about your loan. Please read this Disclosure carefully and keep a copy in a safe place. In this Disclosure, the words "we," "us," and "our" refer to the U.S. Department of Education (the Department). If you have questions about your loan, contact your servicer. Your servicer's telephone number and address are shown on correspondence you will receive related to your loan.

You must repay this loan, even if you are unhappy with your education, do not complete your program of study, or cannot find work in your area of study. Borrow only the amount you can afford to repay, even if you are eligible to borrow more.

By accepting your loan proceeds, you are certifying, under penalty of perjury, that if you have been convicted of, or have pled *nolo contendere* or guilty to, a crime involving fraud in obtaining federal student aid funds under Title IV of the Higher Education Act of 1965, as amended, you have completed the repayment of those funds to the Department, or to the loan holder in the case of a Title IV federal student loan.

Information about your loans will be reported to the National Student Loan Data System (NSLDS). Information in NSLDS is accessible to schools, lenders, and guarantors for specific purposes as authorized by the Department.

2. Master Promissory Note (MPN). You are receiving a loan under an MPN that you signed previously. You may receive additional loans under that MPN for up to 10 years if the school that you attend is authorized to use the multi-year feature of the MPN and chooses to do so. If your school is not authorized to use the multi-year feature of the MPN or chooses not to do so, or if you do not want to receive more than one loan under the same MPN, you must sign a new MPN for each loan. If you do not want to receive more than one loan under the same MPN, you must notify your school or your servicer in writing.

3. Loan terms and conditions. This Disclosure summarizes information about your loan. Please refer to your MPN and the Borrower's Rights and Responsibilities Statement that you received previously for the complete terms and conditions of your loan. If you need another copy of the Borrower's Rights and Responsibilities Statement, contact your servicer. Unless we tell you otherwise in this Disclosure, your MPN and the Borrower's Rights and Responsibilities Statement control the terms and conditions of your loan. Loans made under your MPN are subject to the Higher Education Act of 1965, as amended, and federal regulations (collectively referred to as "the Act"). Any changes to the law or regulations apply to loans in accordance with the effective date of the changes.

4. Use of loan money. You may use your loan money only to pay for educational expenses (for example, tuition, room, board, books) at the school that determined you were eligible to receive the loan. If you accept this loan, your eligibility for other student assistance may be affected.

5. Information you must report. While you are still in school, you must notify your school if you (i) change your address or telephone number; (ii) change your name (for example, maiden name to married name); (iii) do not enroll at least half-time for the loan period certified by the school, or do not enroll at the school that certified your eligibility for the loan; (iv) stop attending school or drop below half-time enrollment; or (v) graduate or transfer to another school.

You must also notify your servicer of any of the above changes at any time after you receive your loan. In addition, you must notify your servicer if you (i) change employers or if your employer's address or phone number changes; or (ii) have any other change in status that affects your loan (for example, if you received a deferment but no longer meet the eligibility requirements for that deferment).

6. Amount you may borrow. There are limits on the amount you may borrow each academic year (annual loan limits) and in total (aggregate loan limits), as explained in the Borrower's Rights and Responsibilities Statement. You cannot borrow more than these limits.

Effective for loans first disbursed on or after July 1, 2008, the annual and aggregate loan limits are as follows:

Annual Loan Limits

Dependent Undergraduates (except students whose parents cannot borrow PLUS loans)	
First Year (freshman)	\$5,500 (maximum \$3,500 subsidized)
Second Year (sophomore)	\$6,500 (maximum \$4,500 subsidized)
Third Year (junior) and Beyond	\$7,500 (maximum \$5,500 subsidized)

Independent Undergraduates (and dependent students whose parents cannot borrow PLUS loans)	
First Year (freshman)	\$9,500 (maximum \$3,500 subsidized)
Second Year (sophomore)	\$10,500 (maximum \$4,500 subsidized)
Third Year (junior) and Beyond	\$12,500 (maximum \$5,500 subsidized)
Graduate and Professional Students	
	\$20,500 (maximum \$8,500 subsidized)

Aggregate Loan Limits

Dependent Undergraduates (except students whose parents cannot borrow PLUS loans)	
	\$31,000 (maximum \$23,000 subsidized)
Independent Undergraduates (and dependent students whose parents cannot borrow PLUS loans)	
	\$57,500 (maximum \$23,000 subsidized)
Graduate and Professional Students	
	\$138,500 (maximum \$65,500 subsidized)

7. Interest. Loans with a first disbursement date on or after July 1, 2006 have a fixed interest rate. However, different fixed interest rates may apply to separate loans made under the MPN depending on whether the loan is subsidized or unsubsidized, when the loan is first disbursed, and whether you are an undergraduate or graduate student. Loans with a first disbursement date prior to July 1, 2006 have a variable rate that is adjusted each year on July 1 but will never be more than 8.25%. Some variable interest rate loans have an interest rate that is lower during in-school, grace, and deferment periods, and higher during repayment and forbearance periods. For loans with a variable interest rate, we will notify you annually of the actual interest rate for each loan that you receive.

If you qualify under the Servicemembers Civil Relief Act, the interest rate on your loans obtained prior to military service may be limited to 6% during your military service. To receive this benefit, you must contact your servicer for information about the documentation you must provide to show that you qualify.

We do not charge interest on Direct Subsidized Loans while you are enrolled in school at least half time, during your grace period, and during deferment periods. Except as provided below for certain military borrowers, we charge interest on Direct Subsidized Loans during all other periods (starting on the day after your grace period ends), including forbearance periods.

Except as provided below for certain military borrowers, we charge interest on Direct Unsubsidized Loans during all periods (starting on the day your loan is paid out). This includes periods while you are enrolled in school, during your grace period, and during deferment and forbearance periods. Therefore, you will pay more interest on Direct Unsubsidized Loans than on Direct Subsidized Loans.

If you do not pay the interest that is charged to you during in-school, grace, deferment, and forbearance periods, we will add it to the unpaid amount of your loan. This is called capitalization. Capitalization increases the unpaid amount of your loan, and we will then charge interest on the increased amount.

Under the no accrual of interest benefit for active duty service members, we do not charge interest on Direct Loan Program loans first disbursed on or after October 1, 2008 during periods of qualifying active duty military service (for up to 60 months). For Direct Consolidation Loans, this benefit applies to the portion of the consolidation loan that repaid loans first disbursed on or after October 1, 2008.

8. Loan fee. We charge a loan fee on your loan that is a percentage of the principal amount of the loan. The percentage is determined by the Act and varies depending on when a loan is first disbursed. The specific loan fee that you are charged will be shown on a disclosure statement that we send to you. This fee will be subtracted proportionately from each disbursement of your loan.

9. Repayment incentive programs. A repayment incentive is a benefit that we offer to encourage you to repay your loan on time. Under a repayment incentive program, the interest rate we charge on your loan may be reduced. Some repayment incentive programs require you to make a certain number of payments on time to keep the reduced interest rate. The following repayment incentive programs may be available to you: *Interest Rate Reduction for Automatic Withdrawal of Payments* and *Up-Front Interest Rebate*. These repayment incentive programs are described in the Borrower's Rights and Responsibilities Statement. Your servicer can provide you with more information on other repayment incentive programs that may be available.

10. Disbursement of loan money. Generally, your school will disburse (pay out) your loan money in more than one installment, usually at the beginning of each academic term (for example, at the beginning of each semester or quarter). If you

school does not use academic terms or does not have academic terms that meet certain requirements, it will generally disburse your loan in at least two installments, one at the beginning of the period of study for which you are receiving the loan and one at the midpoint of that period of study. Your school may disburse your loan money by crediting it to your student account, or may give it to you directly by check or other means. Your servicer will notify you each time your school disburses a portion of your loan.

11. Canceling your loan. Before your loan money is disbursed, you may cancel all or part of your loan at any time by notifying your school. After your loan money is disbursed, there are two ways to cancel all or part of your loan:

- If your school obtains your written confirmation of the types and amounts of Title IV loans that you want to receive for an award year before crediting loan money to your account at the school, you may tell the school that you want to cancel all or part of that loan within 14 days after the date the school notifies you of your right to cancel all or part of the loan, or by the first day of your school's payment period, whichever is later (your school can tell you the first day of the payment period). If the school does not obtain your written confirmation of the types and amounts of loans you want to receive before crediting the loan money to your account, you may cancel all or part of that loan by informing the school within 30 days of the date the school notifies you of your right to cancel all or part of the loan. In either case, your school will return the cancelled loan amount to us. You do not have to pay interest or the loan fee on the part of your loan that you tell your school to cancel within these timeframes. If you received an up-front interest rebate on your loan, the rebate does not apply to the part of your loan that you tell your school to cancel. Your loan will be adjusted to eliminate any interest, loan fee, and rebate amount that applies to the amount of the loan that was cancelled.

If you ask your school to cancel all or part of your loan outside the timeframes described above, your school may process your cancellation request, but it is not required to do so.

- Within 120 days of the date your school disbursed your loan money (by crediting the loan money to your account at the school, by paying it directly to you, or both), you may return all or part of your loan to us. Contact your servicer for guidance on how and where to return your loan money. You do not have to pay interest or the loan fee on the part of your loan that you return within 120 days of the date that part of your loan is disbursed. If you received an up-front interest rebate on your loan, the rebate does not apply to the part of your loan that you return. Your loan will be adjusted to eliminate any interest, loan fee, and rebate amount that applies to the amount of the loan that you return.

12. Grace period. You will receive a 6-month grace period on repayment that starts the day after you stop attending school or drop below half-time enrollment. You do not have to begin making payments on your loan until after your grace period ends.

13. Repaying your loan. You must repay each loan that you receive according to the repayment schedule provided by your servicer. You must begin repaying your loan after your grace period ends. The amount of time you have to repay your loan (the repayment period) will vary from 10 to 25 years, depending on the repayment plan that you choose and the total amount you have borrowed. For Direct Subsidized Loans and Direct Unsubsidized Loans that enter repayment on or after July 1, 2006, you may choose one of the following repayment plans:

Standard Repayment Plan. Refer to the Borrower's Rights and Responsibilities Statement for the terms and conditions of this plan.

Graduated Repayment Plan. If you choose this plan, your payments will usually be lower at first, and will then increase over time. No single payment will be more than 3 times greater than any other payment. Under this plan, you must repay your loan in full within 10 years (not including periods of deferment and forbearance) from the date the loan entered repayment. If your loan has a variable interest rate, we may need to adjust the number or amount of your payments to reflect changes in the interest rate.

Extended Repayment Plan. You may choose this plan only if (i) you had no outstanding balance on a Direct Loan Program loan as of October 7, 1998 or on the date you obtained a Direct Loan Program loan on or after October 7, 1998, and (ii) you have an outstanding balance on Direct Loan Program loans that exceeds \$30,000. If you are eligible for and choose this plan, you will make monthly payments based on fixed annual or graduated repayment amounts and will repay your loan in full over a period not to exceed 25 years (not including periods of deferment and forbearance) from the date your loan entered repayment. Your payments must be at least \$50 per month and will be more, if necessary, to repay the loan within the required time period. If your loan has a variable interest rate, we may need to adjust the number or amount of your payments to reflect changes in the interest rate.

Income Contingent Repayment Plan. Refer to the Borrower's Rights and Responsibilities Statement for the terms and conditions of this plan.

Effective July 1, 2009, if you are eligible, you may also choose an **Income-Based Repayment Plan.** Under this plan, your required monthly payment amount will be based on your income during any period when you have a partial financial hardship.

The maximum repayment period under this plan may exceed 10 years. If you meet certain requirements over a 25-year period, you may qualify for cancellation of any outstanding balance on your loans.

These plans are designed to give you flexibility in meeting your obligation to repay your loan. You may change repayment plans at any time after you have begun repaying your loan. You may make loan payments before they are due, or pay more than the amount due each month, without penalty. When you have repaid a loan in full, your servicer will send you a notice telling you that you have paid off your loan. You should keep this notice in a safe place.

14. Late charges and collection costs. We may require you to pay a late charge of not more than six cents for each dollar of each late payment if you do not make any part of a payment within 30 days after it is due. We may also require you to pay other charges and fees involved in collecting your loan.

15. Demand for immediate repayment. The entire unpaid amount of your loan becomes due and payable (on your MPN this is called "acceleration") if you (i) receive loan money but do not enroll at least half-time at the school that determined you were eligible to receive the loan; (ii) use your loan money to pay for anything other than educational expenses at the school that determined you were eligible to receive the loan; (iii) make a false statement that causes you to receive a loan that you are not eligible to receive; or (iv) default on your loan.

16. Default. You are in default on your loan if you (i) do not repay the entire unpaid amount of your loan if we require you to do so; (ii) have not made a payment on your loan for at least 270 days; or (iii) do not comply with other terms and conditions of your loan, and we conclude that you no longer intend to honor your obligation to repay your loan.

If you default on your loan, we will report your default to national consumer reporting agencies. We may sue you, take all or part of your federal tax refund, and/or garnish your wages so that your employer is required to send us part of your salary to pay off your loan. We will require you to pay reasonable collection fees and costs, plus court costs and attorney fees. You will lose eligibility for other federal student aid and assistance under most federal benefit programs. You will lose eligibility for loan deferments.

17. Consumer reporting agency notification. We will report information about your loan to national consumer reporting agencies. This information will include the disbursement dates, amount, and repayment status of your loan (for example, whether you are current or delinquent in making payments). Your loan will be identified as an education loan.

18. Deferment and forbearance (postponing payments). If you meet certain requirements, you may receive a **deferment** that allows you to temporarily stop making payments on your loan. For example:

You may receive a deferment while you are attending school at least half time or for up to 3 years while you are unemployed.

You may receive a deferment while you are serving on active duty during a war or other military operation or national emergency, or performing qualifying National Guard duty during a war or other military operation or national emergency, and if you are serving on or after October 1, 2007, for an additional 180-day period following the demobilization date for your qualifying service.

If you are a member of the National Guard or other reserve component of the U.S. Armed Forces (current or retired) and you are called or ordered to active duty while enrolled at least half time at an eligible school, or within 6 months after having been enrolled at least half time, you are eligible for a deferment during the 13 months following the conclusion of your active duty service, or until the date you return to enrolled student status on at least a half-time basis, whichever is earlier.

This is not a complete list of available deferments. For a complete list, refer to the Borrower's Rights and Responsibilities Statement that you received previously.

We do not charge interest on Direct Subsidized Loans during deferment periods. However, we do charge interest on Direct Unsubsidized Loans during deferment periods.

If you cannot make your scheduled loan payments but do not qualify for a deferment, we may give you a **forbearance**. A forbearance allows you to temporarily stop making payments on your loan, temporarily make smaller payments, or extend the time for making payments. For example, we may give you a forbearance if you are temporarily unable to make scheduled loan payments because of financial hardship or illness. We may also give you a forbearance under other conditions as described in the Borrower's Rights and Responsibilities Statement. We charge interest on both Direct Subsidized Loans and Direct Unsubsidized Loans during forbearance periods. To request a deferment or forbearance, contact your servicer.

19. Loan discharge. We may discharge (forgive) all or part of your loan if (i) you die, and we receive an original or certified copy of your death certificate; (ii) you become totally and permanently disabled and meet certain other requirements; (iii) your loan is discharged in bankruptcy; (iv) you were unable to complete your course of study because your school closed; (v) your school falsely certified your eligibility; (vi) your school did not pay a refund of your loan money that it was required to pay under federal regulations; or, effective July 1, 2006, (vii) a loan in your name was falsely

certified as a result of a crime of identity theft. To request a loan discharge, contact your servicer.

We may forgive a portion of any loans you received under the Direct Loan or Federal Family Education Loan (FFEL) program after October 1, 1998 if you teach full-time for 5 consecutive years in certain low-income elementary and/or secondary schools and meet certain other qualifications, and if you did not owe a Direct Loan or FFEL program loan as of October 1, 1998, or as of the date you obtain a loan after October 1, 1998. Contact your servicer for specific eligibility requirements.

A public service loan forgiveness program is also available. Under this program, the remaining balance due on your eligible Direct Loan Program loans may be cancelled after you have made 120 payments on those loans (after October 1, 2007) under certain repayment plans while you are employed in certain public service jobs.

The Act may provide for certain loan forgiveness or repayment benefits on your loan in addition to the benefits described above. If other forgiveness or repayment options become available, your servicer will provide information about these benefits.

In some cases, you may assert, as a defense against collection of your loan, that your school did something wrong or failed to do something that it should have done. You can make such a defense against repayment only if what your school did or did not do would give rise to a legal cause of action under applicable state law. If you believe that you have a defense against repayment of your loan, contact your servicer.

20. Loan consolidation. You may consolidate (combine) one or more of your eligible federal education loans into one loan. Consolidation allows you to extend the period of time that you have to repay your loans, and to combine several loan debts into a single monthly payment. This may make it easier for you to repay your loans. However, you will pay more interest if you extend your repayment period through consolidation, since you will be making payments for a longer period of time. Contact your servicer for more information about loan consolidation.

Revised Direct PLUS Loan Plain Language Disclosure (PLD)

A sample Direct PLUS Loan Plain Language Disclosure revised as a result of the Higher Education Reconciliation Act (HERA) of 2005 is included below:

Plain Language Disclosure for Federal Direct PLUS Loans William D. Ford Federal Direct Loan Program

A graduate or professional student or the parent of a dependent undergraduate student may borrow a Federal Direct PLUS Loan (Direct PLUS Loan). In this document, "you" refers to the borrower.

1. General information. You are receiving a Direct PLUS Loan to help pay the costs of your education or your dependent student's education. This Plain Language Disclosure (Disclosure) summarizes important information about your loan. Please read this Disclosure carefully and keep a copy in a safe place. In this Disclosure, the words "we," "us," and "our" refer to the U.S. Department of Education (the Department). The Department may use a servicer to handle billing and other communications related to your loan. If you have questions about your loan, contact your servicer. Your servicer's telephone number and address are shown on correspondence you will receive related to your loan.

You must repay this loan, even if you or your dependent undergraduate student are unhappy with the education provided by the school, do not complete the program of study, or cannot find work in that area of study. Borrow only the amount you can afford to repay, even if you are eligible to borrow more.

By accepting your loan proceeds, you are certifying, under penalty of perjury, that if you or your dependent undergraduate student, as applicable, have been convicted of, or have pled *nolo contendere* or guilty to, a crime involving fraud in obtaining federal student aid funds under Title IV of the Higher Education Act of 1965, as amended (the HEA), you or the student have completed the repayment of those funds to the Department, or to the loan holder in the case of a Title IV federal student loan.

Information about your loans will be submitted to the National Student Loan Data System (NSLDS). Information in NSLDS is accessible to schools, lenders, and guarantors for specific purposes as authorized by the Department.

2. Direct PLUS Loan Application and Master Promissory Note (MPN). You are receiving a loan under an MPN that you signed previously. You may receive additional loans under that MPN for up to 10 years if the school that you or your dependent student attend is authorized to use the multi-year feature of the MPN and chooses to do so. If the school is not authorized to use the multi-year feature of the MPN or chooses not to do so, or if you do not want to receive more than one loan under the same MPN, you must sign a new MPN for each loan. If you do not want to receive more than one loan under the same MPN, you must notify the school or your servicer in writing.

If you are a parent borrowing for more than one dependent undergraduate student, you need a separate MPN for each student. If you are borrowing for yourself as a graduate or professional student and also as a parent for one or more dependent undergraduate students, you need one MPN to borrow for yourself and a separate MPN to borrow for each dependent student.

3. Loan terms and conditions. This Disclosure summarizes information about your loan. Please refer to your MPN and the Borrower's Rights and Responsibilities Statement that you received previously for the complete terms and conditions of your loan. If you need another copy of the Borrower's Rights and Responsibilities Statement, contact your servicer. Unless we tell you otherwise in this Disclosure, your MPN and the Borrower's Rights and Responsibilities Statement control the terms and conditions of your loan. Loans made under your MPN are subject to the HEA and federal regulations, collectively referred to as "the Act." Any changes to the Act apply to loans in accordance with the effective date of the changes.

4. Use of loan money. You may use your loan money only to pay for educational expenses (for example, tuition, room, board, books) for yourself (if you are a graduate or professional student) or for your dependent undergraduate student (if you are a parent borrower) at the school that determined you were eligible to receive the loan. If you accept this loan, eligibility for other student assistance may be affected.

5. Information you must report. While you or your dependent student are still in school, you must notify the school if (i) you change your address or telephone number; (ii) you change your name (for example, maiden name to married name); (iii) you or your dependent student do not enroll at least half-time for the loan period certified by the school, or do not enroll at the school that certified your eligibility for the loan; (iv) you or your dependent student stop attending school or drop below half-time enrollment; or (v) you or your dependent student graduate or transfer to another school.

You must also notify your servicer of any of the above changes at any time after you receive your loan. In addition, you must notify your servicer if you (i) change employers or if your employer's address or phone number changes; or (ii) have any other change in status that affects your loan (for example, if you received a deferment but no longer meet the eligibility requirements for that deferment).

6. Amount you may borrow. For each academic year, you may borrow up to – but not more than – the estimated cost of attendance minus the amount of any other financial aid awarded for that academic year. The school determines the cost of attendance using federal guidelines.

7. Interest rate and payment of interest. Loans with a first disbursement on or after July 1, 2006 have a fixed interest rate of 7.9%. Loans with a first disbursement prior to July 1, 2006 have a variable interest rate that is adjusted each year on July 1 but will never be more than 9%. For loans with a variable interest rate, we will notify you annually of the actual interest rate for each loan that you receive.

If you qualify under the Servicemembers Civil Relief Act, the interest rate on your loans obtained prior to military service may be limited to 6% during your military service. To receive this benefit, you must contact your servicer for information about the documentation you must provide to show that you qualify.

Except as provided below for borrowers who serve in the military, interest accrues on your Direct PLUS Loan from the date the loan is first disbursed until it is repaid in full, including during periods of deferment or forbearance. If you do not pay the interest as it accrues during deferment or forbearance (for example, during an in-school deferment), we will add it to the unpaid amount of your loan. This is called capitalization. Capitalization increases the unpaid amount of your loan, and interest will then accrue on the increased amount. We may also capitalize unpaid interest that has accrued since the first disbursement of your loan when you enter repayment for the first time.

Under the no accrual of interest benefit for active duty service members, no interest accrues on Direct Loan Program Loans first disbursed on or after October 1, 2008 during periods of qualifying active duty military service (for up to 60 months). For Direct Consolidation Loans, this benefit applies to the portion of the consolidation loan that repaid loans first disbursed on or after October 1, 2008.

8. Loan fee. We charge a loan fee on your loan of 4% of the principal amount of the loan. This fee will be subtracted proportionately from each disbursement of your loan, and will be shown on a disclosure statement that we send to you.

9. Repayment incentive programs. A repayment incentive is a benefit that we offer to encourage you to repay your loan on time. Under a repayment incentive program, the interest rate we charge on your loan may be reduced. Some repayment incentive programs require you to make a certain number of payments on time to keep the reduced interest rate. The following repayment incentive programs may be available to you: *Interest Rate Reduction for Electronic Debit Account Repayment* and *Up-Front Interest Rebate*. These repayment incentive programs are described in the Borrower's Rights and Responsibilities Statement. Your servicer can provide you with more information on other repayment incentive programs that may be available.

10. Disbursement of loan money. Generally, the school will disburse (pay out) your loan money in more than one installment, usually at the beginning of each academic term (for example, at the beginning of each semester or quarter). If the school does not use academic terms or does not have academic terms that meet certain requirements, it will generally disburse your loan in at least two installments, one at the beginning of the period of study for which you are receiving the loan, and one at the midpoint of that period of study. The school may disburse your loan money by crediting it to your or your dependent student's account at the school, or may give it to you directly by check or other means. Your servicer will notify you each time the school disburses a portion of your loan.

11. Canceling your loan. Before your loan money is disbursed, you may cancel all or part of your loan at any time by notifying the school. After your loan money is disbursed, there are two ways to cancel all or part of your loan:

- If your school obtains your written confirmation of the types and amounts of Title IV loans that you want to receive for an award year before crediting loan money to your or your dependent student's account at the school, you may tell the school that you want to cancel all or part of that loan within 14 days after the date the school notifies you of your right to cancel all or part of the loan, or by the first day of the school's payment period, whichever is later (the school can tell you the first day of the payment period). If the school does not obtain your written confirmation of the types and amounts of loans you want to receive before crediting the loan money to your account, you may cancel all or part of that loan by informing the school within 30 days of the date the school notifies you of your right to cancel all or part of the loan. In either case, the school will return the cancelled loan amount to us.

If you ask the school to cancel all or part of your loan outside the timeframes described above, the school may process your cancellation request, but it is not required to do so.

- Within 120 days of the date the school disbursed your loan money (by crediting the loan money to your or your dependent student's account at the school, by paying it directly to you, or both), you may return all or part of your loan to us. Contact your servicer for guidance on how and where to return your loan money.

You do not have to pay interest or the loan fee on the part of your loan that is cancelled or returned within the timeframes described above, and if you received an up-front interest rebate, the rebate does not apply. Your loan will be adjusted to eliminate any interest, loan fee, and rebate amount that applies to the amount of the loan that is cancelled or returned.

12. Repaying your loan. The repayment period for each Direct PLUS Loan you receive under the MPN begins on the date of the final disbursement of that loan. This means that the repayment period for each loan will begin on a different date. Unless you receive a deferment or forbearance (see Item 18), your first payment on each loan will be due within 60 days of the final disbursement of that loan. The amount of time you have to repay your loan will vary from 10 to 25 years, depending on the repayment plan that you choose and the total amount you have borrowed. The maximum repayment periods shown below do not include periods of deferment or forbearance, except for periods of economic hardship deferment when repaying under the Income-Based Repayment Plan. You may choose one of the following repayment plans:

Standard Repayment Plan. Under this plan, you will make fixed monthly payments and repay your loan in full within 10 years. Your payments must be at least \$50 per month (\$600 per year) and will be more, if necessary, to repay your loan within the required time period.

Graduated Repayment Plan. Under this plan, your payments will usually be lower at first, and will then increase over time. No single payment will be more than 3 times greater than any other payment. You must repay your loan in full within 10 years.

Extended Repayment Plan. You may choose this plan only if (i) you had no outstanding balance on a Direct Loan Program loan as of October 7, 1998 or on the date you obtained a Direct Loan Program loan after October 7, 1998, and (ii) you have an outstanding balance on Direct Loan Program loans that exceeds \$30,000. Under this plan, you will make monthly payments based on fixed annual or graduated repayment amounts and will repay your loan in full over a period not to exceed 25 years. Your payments must be at least \$50 per month (\$600 per year) and will be more, if necessary, to repay your loan within the required time period.

The following additional repayment plans are available to graduate and professional student Direct PLUS Loan borrowers (parent Direct PLUS Loan borrowers may not repay their Direct PLUS Loans under these plans):

Income Contingent Repayment (ICR) Plan. Under this plan, your monthly payment amount is based on your annual income (and your spouse's income, if you are married), family size, and total Direct Loan debt. Until we obtain the information needed to calculate your monthly payment amount under this plan, the monthly payment will equal the amount of interest that has accrued on the loan unless you request a forbearance. As your income changes, the monthly payment amount may change. If you do not repay a loan after 25 years under this plan, the unpaid portion will be forgiven. However, you may have to pay income tax on any amount forgiven.

Income-Based Repayment (IBR) Plan. Under this plan, your required monthly payment amount will be based on your income during any period when you have a partial financial hardship. Your monthly payment amount may be adjusted annually. The maximum repayment period under this plan may exceed 10 years. If your loan is not repaid in full after you have made the equivalent of 25 years of qualifying monthly payments and at least 25 years have elapsed, you may qualify for forgiveness of any outstanding balance on your loans. You may have to pay income tax on any amount forgiven. To initially qualify for the IBR Plan and to continue to make income-based payments, you must have a partial financial hardship. A calculator is available at www.direct.ed.gov that evaluates your eligibility for the IBR Plan and estimates your initial IBR Plan payment amount. The calculator is for informational purposes only. Your servicer will make the official determination of your eligibility and payment amount.

Unless otherwise restricted by loan type, you must repay all of your Direct Loans under the same repayment plan. These plans are designed to give you flexibility in meeting your obligation to repay your loan. You may change repayment plans at any time after you have begun repaying your loan. You may make loan payments before they are due, or pay more than the amount due each month, without penalty. When you have fully repaid a loan, your servicer will send you a notice telling you that you have paid off your loan. You should keep this notice in a safe place.

13. Transfer of loan. The Department may transfer one or all of your loans to another servicer without your consent. If the address to which you must send payments or direct communications changes, you will be notified of the new servicer's name, address, and telephone number, the effective date of the transfer, and the date when you must begin sending payments or directing communications to that servicer. Transfer of a loan to a different servicer does not affect your rights and responsibilities under that loan.

14. Late charges and collection costs. We may require you to pay a late charge of not more than six cents for each dollar of each late payment if you do not make any

part of a payment within 30 days after it is due. We may also require you to pay other charges and fees involved in collecting your loan.

15. Demand for immediate repayment. The entire unpaid amount of your loan becomes due and payable (on your MPN this is called "acceleration") if you (i) receive loan money, but you or your dependent student do not enroll at least half-time at the school that certified your eligibility for the loan; (ii) use your loan money to pay for anything other than expenses related to the cost of education at the school that certified your eligibility for the loan; (iii) make a false statement that causes you to receive a loan that you are not eligible to receive; or (iv) default on your loan.

16. Default. You are in default on your loan if you (i) do not repay the entire unpaid amount of your loan if we require you to do so; (ii) have not made a payment on your loan for at least 270 days; or (iii) do not comply with other terms and conditions of your loan, and we conclude that you no longer intend to honor your obligation to repay your loan.

If you default on your loan, we will report that fact to national consumer reporting agencies. We may sue you, take all or part of your federal tax refund or other federal payments, and/or garnish your wages so that your employer is required to send us part of your salary to pay off your loan. We will require you to pay reasonable collection fees and costs, plus court costs and attorney fees. You will lose eligibility for other federal student aid and assistance under most federal benefit programs. You will lose eligibility for loan deferments.

17. Consumer reporting agency notification. We will report information about your loan to national consumer reporting agencies on a regular basis. This information will include the disbursement dates, amount, and repayment status of your loan (for example, whether you are current or delinquent in making payments). Your loan will be identified as an education loan.

18. Deferment and forbearance (postponing payments). If you meet certain requirements, you may receive a deferment that allows you to temporarily stop making payments on your loan. For example, you may receive a deferment:

- While you are enrolled at least half time at an eligible school;
- During the 6-month period after you cease to be enrolled at least half time (only for loans first disbursed on or after July 1, 2008);
- While the student for whom you obtained a loan is enrolled at least half time at an eligible school and for the 6-month period after the student ceases to be enrolled at least half time (only for loans first disbursed on or after July 1, 2008);
- While you are unemployed (for up to 3 years);
- While you are experiencing an economic hardship, including service in the Peace Corps (for up to 3 years);
- While you are serving on active duty during a war or other military operation or national emergency, or performing qualifying National Guard duty during a war or other military operation or national emergency, and if you were serving on or after October 1, 2007, for an additional 180-day period following the demobilization date for your qualifying service; and
- If you are a member of the National Guard or other reserve component of the U.S. Armed Forces (current or retired) and you are called or ordered to active duty while enrolled at least half time at an eligible school, or within 6 months after having been enrolled at least half time, during the 13 months following the conclusion of your active duty service, or until the date you return to enrolled student status on at least a half-time basis, whichever is earlier.

This is not a complete list of available deferments. For a complete list, refer to the Borrower's Rights and Responsibilities Statement that you received previously.

You are responsible for paying the interest on a Direct PLUS Loan during a period of deferment.

If you cannot make your scheduled loan payments but do not qualify for a deferment, we may give you a **forbearance**. A forbearance allows you to temporarily stop making payments on your loan, temporarily make smaller payments, or extend the time for making payments. For example, we may give you a forbearance if you are temporarily unable to make scheduled loan payments because of financial hardship or illness. We may also give you a forbearance under other conditions as described in the Borrower's Rights and Responsibilities Statement that you received previously. You are responsible for paying the interest on a Direct PLUS Loan during a period of forbearance.

To request a deferment or forbearance, contact your servicer.

19. Loan discharge. We may discharge (forgive) all or part of your loan if (i) you die, or the student for whom you borrowed dies, and we receive acceptable documentation of your or the student's death; (ii) you become totally and permanently disabled and meet certain other requirements; (iii) your loan is discharged in bankruptcy; (iv) you or the student for whom you obtained the loan were unable to complete the program of study because the school closed; (v) the school falsely certified your loan eligibility; (vi) the school did not pay a refund of your loan money that it was required to pay under federal regulations; or (vii) a loan in your name was falsely certified as a result of a crime of identity theft. To request a loan discharge, contact your servicer.

A public service loan forgiveness program is also available. Under this program, the remaining balance due on your eligible Direct Loan Program loans may be cancelled after you have made 120 payments on those loans (after October 1, 2007) under certain repayment plans while you are employed in certain public service jobs.

The Act may provide for certain loan forgiveness or repayment benefits on your loans in addition to the benefits described above. If other forgiveness or repayment options become available, your servicer will provide information about these benefits.

In some cases, you may assert, as a defense against collection of your loan, that the school did something wrong or failed to do something that it should have done. You can make such a defense against repayment only if what the school did or did not do

would give rise to a legal cause of action under applicable state law. If you believe that you have a defense against repayment of your loan, contact your servicer.

20. Loan consolidation. You may consolidate one or more of your eligible federal education loans into one loan with a single monthly payment. Consolidation may allow you to extend the period of time that you have to repay your loans. This may make it easier for you to repay your loans. However, you will pay more interest if you extend your repayment period through consolidation, since you will be making payments for a longer period of time. Contact your servicer for more information about loan consolidation.

Revised Direct Grad PLUS Loan Plain Language Disclosure (PLD)

A sample Direct Grad PLUS Loan Plain Language Disclosure revised as a result of the Higher Education Reconciliation Act (HERA) of 2005 is included below:

Direct Loans

William D. Ford Federal Direct Loan Program

William D. Ford Federal Direct Loan Program Direct PLUS Loan Plain Language Disclosure

A graduate or professional student or the parent of a dependent undergraduate student may borrow a Federal Direct PLUS Loan (Direct PLUS Loan). In this document, "you" refers to the borrower.

1. General information. You are receiving a Direct PLUS Loan to help pay the costs of your education or your dependent student's education. This Plain Language Disclosure (Disclosure) summarizes important information about your loan. Please read this Disclosure carefully and keep a copy in a safe place. In this Disclosure, the words "we," "us," and "our" refer to the U.S. Department of Education (the Department). The Department may use a servicer to handle billing and other communications related to your loan. If you have questions about your loan, contact your servicer. Your servicer's telephone number and address are shown on correspondence you will receive related to your loan.

You must repay this loan, even if you or your dependent undergraduate student are unhappy with the education provided by the school, do not complete the program of study, or cannot find work in that area of study. Borrow only the amount you can afford to repay, even if you are eligible to borrow more.

By accepting your loan proceeds, you are certifying, under penalty of perjury, that if you or your dependent undergraduate student, as applicable, have been convicted of, or have pled *nolo contendere* or guilty to, a crime involving fraud in obtaining federal student aid funds under Title IV of the Higher Education Act of 1965, as amended (the HEA), you or the student have completed the repayment of those funds to the Department, or to the loan holder in the case of a Title IV federal student loan.

Information about your loans will be submitted to the National Student Loan Data System (NSLDS). Information in NSLDS is accessible to schools, lenders, and guarantors for specific purposes as authorized by the Department.

2. Direct PLUS Loan Application and Master Promissory Note (MPN). You are receiving a loan under an MPN that you signed previously. You may receive additional loans under that MPN for up to 10 years if the school that you or your dependent student attend is authorized to use the multi-year feature of the MPN and chooses to do so. If the school is not authorized to use the multi-year feature of the MPN or chooses not to do so, or if you do not want to receive more than one loan under the same MPN, you must sign a new MPN for each loan. If you do not want to receive more than one loan under the same MPN, you must notify the school or your servicer in writing.

If you are a parent borrowing for more than one dependent undergraduate student, you need a separate MPN for each student. If you are borrowing for yourself as a graduate or professional student and also as a parent for one or more dependent undergraduate students, you need one MPN to borrow for yourself and a separate MPN to borrow for each dependent student.

3. Loan terms and conditions. This Disclosure summarizes information about your loan. Please refer to your MPN and the Borrower's Rights and Responsibilities Statement that you received previously for the complete terms and conditions of your loan. If you need another copy of the Borrower's Rights and Responsibilities Statement, contact your servicer. Unless we tell you otherwise in this Disclosure, your MPN and the Borrower's Rights and Responsibilities Statement control the terms and conditions of your loan. Loans made under your MPN are subject to the HEA and federal regulations, collectively referred to as "the Act." Any changes to the Act apply to loans in accordance with the effective date of the changes.

4. Use of loan money. You may use your loan money only to pay for educational expenses (for example, tuition, room, board, books) for yourself (if you are a graduate or professional student) or for your dependent undergraduate student (if you are a parent borrower) at the school that determined you were eligible to receive the loan. If you accept this loan, eligibility for other student assistance may be affected.

5. Information you must report. While you or your dependent student are still in school, you must notify the school if (i) you change your address or telephone number; (ii) you change your name (for example, maiden name to married name); (iii) you or your dependent student do not enroll at least half-time for the loan period certified by the school, or do not enroll at the school that certified your eligibility for the loan; (iv) you or your dependent student stop attending school or drop below half-time enrollment; or (v) you or your dependent student graduate or transfer to another school.

You must also notify your servicer of any of the above changes at any time after you receive your loan. In addition, you must notify your servicer if you (i) change employers or if your employer's address or phone number changes; or (ii) have any other change in status that affects your loan (for example, if you received a deferment but no longer meet the eligibility requirements for that deferment).

6. Amount you may borrow. For each academic year, you may borrow up to – but not more than – the estimated cost of attendance minus the amount of any other financial aid awarded for that academic year. The school determines the cost of attendance using federal guidelines.

7. Interest rate and payment of interest. Loans with a first disbursement on or after July 1, 2006 have a fixed interest rate of 7.9%. Loans with a first disbursement prior to July 1, 2006 have a variable interest rate that is adjusted each year on July 1 but will never be more than 9%. For loans with a variable interest rate, we will notify you annually of the actual interest rate for each loan that you receive.

If you qualify under the Servicemembers Civil Relief Act, the interest rate on your loans obtained prior to military service may be limited to 6% during your military service. To receive this benefit, you must contact your servicer for information about the documentation you must provide to show that you qualify.

Except as provided below for borrowers who serve in the military, interest accrues on your Direct PLUS Loan from the date the loan is first disbursed until it is repaid in full, including during periods of deferment or forbearance. If you do not pay the interest as it accrues during deferment or forbearance (for example, during an in-school deferment), we will add it to the unpaid amount of your loan. This is called capitalization. Capitalization increases the unpaid amount of your loan, and interest will then accrue on the increased amount. We may also capitalize unpaid interest that has accrued since the first disbursement of your loan when you enter repayment for the first time.

Under the no accrual of interest benefit for active duty service members, no interest accrues on Direct Loan Program Loans first disbursed on or after October 1, 2008 during periods of qualifying active duty military service (for up to 60 months). For Direct Consolidation Loans, this benefit applies to the portion of the consolidation loan that repaid loans first disbursed on or after October 1, 2008.

8. Loan fee. We charge a loan fee on your loan of 4% of the principal amount of the loan. This fee will be subtracted proportionately from each disbursement of your loan, and will be shown on a disclosure statement that we send to you.

9. Repayment incentive programs. A repayment incentive is a benefit that we offer to encourage you to repay your loan on time. Under a repayment incentive program, the interest rate we charge on your loan may be reduced. Some repayment incentive programs require you to make a certain number of payments on time to keep the reduced interest rate. The following repayment incentive programs may be available to you: *Interest Rate Reduction for Electronic Debit Account Repayment and Up-Front Interest Rebate*. These repayment incentive programs are described in the Borrower's Rights and Responsibilities Statement. Your servicer can provide you with more information on other repayment incentive programs that may be available.

10. Disbursement of loan money. Generally, the school will disburse (pay out) your loan money in more than one installment, usually at the beginning of each academic term (for example, at the beginning of each semester or quarter). If the school does not use academic terms or does not have academic terms that meet certain requirements, it will generally disburse your loan in at least two installments, one at the beginning of the period of study for which you are receiving the loan, and one at the midpoint of that period of study. The school may disburse your loan money by

crediting it to your or your dependent student's account at the school, or may give it to you directly by check or other means. Your servicer will notify you each time the school disburses a portion of your loan.

11. Canceling your loan. Before your loan money is disbursed, you may cancel all or part of your loan at any time by notifying the school. After your loan money is disbursed, there are two ways to cancel all or part of your loan:

- If your school obtains your written confirmation of the types and amounts of Title IV loans that you want to receive for an award year before crediting loan money to your or your dependent student's account at the school, you may tell the school that you want to cancel all or part of that loan within 14 days after the date the school notifies you of your right to cancel all or part of the loan, or by the first day of the school's payment period, whichever is later (the school can tell you the first day of the payment period). If the school does not obtain your written confirmation of the types and amounts of loans you want to receive before crediting the loan money to your account, you may cancel all or part of that loan by informing the school within 30 days of the date the school notifies you of your right to cancel all or part of the loan. In either case, the school will return the cancelled loan amount to us.

If you ask the school to cancel all or part of your loan outside the timeframes described above, the school may process your cancellation request, but it is not required to do so.

- Within 120 days of the date the school disbursed your loan money (by crediting the loan money to your or your dependent student's account at the school, by paying it directly to you, or both), you may return all or part of your loan to us. Contact your servicer for guidance on how and where to return your loan money.

You do not have to pay interest or the loan fee on the part of your loan that is cancelled or returned within the timeframes described above, and if you received an up-front interest rebate, the rebate does not apply. Your loan will be adjusted to eliminate any interest, loan fee, and rebate amount that applies to the amount of the loan that is cancelled or returned.

12. Repaying your loan. The repayment period for each Direct PLUS Loan you receive under the MPN begins on the date of the final disbursement of that loan. This means that the repayment period for each loan will begin on a different date. Unless you receive a deferment or forbearance (see Item 18), your first payment on each loan will be due within 60 days of the final disbursement of that loan. The amount of time you have to repay your loan will vary from 10 to 25 years, depending on the repayment plan that you choose and the total amount you have borrowed. The maximum repayment periods shown below do not include periods of deferment or forbearance, except for periods of economic hardship deferment when repaying under the Income-Based Repayment Plan. You may choose one of the following repayment plans:

Standard Repayment Plan. Under this plan, you will make fixed monthly payments and repay your loan in full within 10 years. Your payments must be at least \$50 per month (\$600 per year) and will be more, if necessary, to repay your loan within the required time period.

Graduated Repayment Plan. Under this plan, your payments will usually be lower at first, and will then increase over time. No single payment will be more than 3 times greater than any other payment. You must repay your loan in full within 10 years.

Extended Repayment Plan. You may choose this plan only if (i) you had no outstanding balance on a Direct Loan Program loan as of October 7, 1998 or on the date you obtained a Direct Loan Program loan after October 7, 1998, and (ii) you have an outstanding balance on Direct Loan Program loans that exceeds \$30,000. Under this plan, you will make monthly payments based on fixed annual or graduated repayment amounts and will repay your loan in full over a period not to exceed 25 years. Your payments must be at least \$50 per month (\$600 per year) and will be more, if necessary, to repay your loan within the required time period.

The following additional repayment plans are available to graduate and professional student Direct PLUS Loan borrowers (parent Direct PLUS Loan borrowers may not repay their Direct PLUS Loans under these plans):

Income Contingent Repayment (ICR) Plan. Under this plan, your monthly payment amount is based on your annual income (and your spouse's income, if you are married), family size, and total Direct Loan debt. Until we obtain the information needed to calculate your monthly payment amount under this plan, the monthly payment will equal the amount of interest that has accrued on the loan unless you request a forbearance. As your income changes, the monthly payment amount may change. If you do not repay a loan after 25 years under this plan, the unpaid portion will be forgiven. However, you may have to pay income tax on any amount forgiven.

Income-Based Repayment (IBR) Plan. Under this plan, your required monthly payment amount will be based on your income during any period when you have a partial financial hardship. Your monthly payment amount may be adjusted annually. The maximum repayment period under this plan may exceed 10 years. If your loan is not repaid in full after you have made the equivalent of 25 years of qualifying monthly payments and at least 25 years have elapsed, you may qualify for forgiveness of any outstanding balance on your loans. You may have to pay income tax on any amount

forgiven. To initially qualify for the IBR Plan and to continue to make income-based payments, you must have a partial financial hardship. A calculator is available at www.direct.ed.gov that evaluates your eligibility for the IBR Plan and estimates your initial IBR Plan payment amount. The calculator is for informational purposes only. Your servicer will make the official determination of your eligibility and payment amount.

Unless otherwise restricted by loan type, you must repay all of your Direct Loans under the same repayment plan. These plans are designed to give you flexibility in meeting your obligation to repay your loan. You may change repayment plans at any time after you have begun repaying your loan. You may make loan payments before they are due, or pay more than the amount due each month, without penalty. When you have fully repaid a loan, your servicer will send you a notice telling you that you have paid off your loan. You should keep this notice in a safe place.

13. Transfer of loan. The Department may transfer one or all of your loans to another servicer without your consent. If the address to which you must send payments or direct communications changes, you will be notified of the new servicer's name, address, and telephone number, the effective date of the transfer, and the date when you must begin sending payments or directing communications to that servicer. Transfer of a loan to a different servicer does not affect your rights and responsibilities under that loan.

14. Late charges and collection costs. We may require you to pay a late charge of not more than six cents for each dollar of each late payment if you do not make any part of a payment within 30 days after it is due. We may also require you to pay other charges and fees involved in collecting your loan.

15. Demand for immediate repayment. The entire unpaid amount of your loan becomes due and payable (on your MPN this is called "acceleration") if you (i) receive loan money, but you or your dependent student do not enroll at least half-time at the school that certified your eligibility for the loan; (ii) use your loan money to pay for anything other than expenses related to the cost of education at the school that certified your eligibility for the loan; (iii) make a false statement that causes you to receive a loan that you are not eligible to receive; or (iv) default on your loan.

16. Default. You are in default on your loan if you (i) do not repay the entire unpaid amount of your loan if we require you to do so; (ii) have not made a payment on your loan for at least 270 days; or (iii) do not comply with other terms and conditions of your loan, and we conclude that you no longer intend to honor your obligation to repay your loan.

If you default on your loan, we will report that fact to national consumer reporting agencies. We may sue you, take all or part of your federal tax refund or other federal payments, and/or garnish your wages so that your employer is required to send us part of your salary to pay off your loan. We will require you to pay reasonable collection fees and costs, plus court costs and attorney fees. You will lose eligibility for other federal student aid and assistance under most federal benefit programs. You will lose eligibility for loan deferments.

17. Consumer reporting agency notification. We will report information about your loan to national consumer reporting agencies on a regular basis. This information will include the disbursement dates, amount, and repayment status of your loan (for example, whether you are current or delinquent in making payments). Your loan will be identified as an education loan.

18. Deferment and forbearance (postponing payments). If you meet certain requirements, you may receive a **deferment** that allows you to temporarily stop making payments on your loan. For example, you may receive a deferment:

- While you are enrolled at least half time at an eligible school;
- During the 6-month period after you cease to be enrolled at least half time (only for loans first disbursed on or after July 1, 2008);
- While the student for whom you obtained a loan is enrolled at least half time at an eligible school and for the 6-month period after the student ceases to be enrolled at least half time (only for loans first disbursed on or after July 1, 2008);
- While you are unemployed (for up to 3 years);
- While you are experiencing an economic hardship, including service in the Peace Corps (for up to 3 years);
- While you are serving on active duty during a war or other military operation or national emergency, or performing qualifying National Guard duty during a war or other military operation or national emergency, and if you were serving on or after October 1, 2007, for an additional 180-day period following the demobilization date for your qualifying service; and
- If you are a member of the National Guard or other reserve component of the U.S. Armed Forces (current or retired) and you are called or ordered to active duty while enrolled at least half time at an eligible school, or within 6 months after having been enrolled at least half time, during the 13 months following the conclusion of your active duty service, or until the date you return to enrolled student status on at least a half-time basis, whichever is earlier.

This is not a complete list of available deferments. For a complete list, refer to the Borrower's Rights and Responsibilities Statement that you received previously.

You are responsible for paying the interest on a Direct PLUS Loan during a period of deferment.

If you cannot make your scheduled loan payments but do not qualify for a deferment, we may give you a **forbearance**. A forbearance allows you to temporarily stop making payments on your loan, temporarily make smaller payments, or extend the time for making payments. For example, we may give you a forbearance if you are temporarily unable to make scheduled loan payments because of financial hardship or illness. We may also give you a forbearance under other conditions as described in the Borrower's Rights and Responsibilities Statement that you received previously. You are responsible for paying the interest on a Direct PLUS Loan during a period of forbearance.

To request a deferment or forbearance, contact your servicer.

19. Loan discharge. We may discharge (forgive) all or part of your loan if **(i)** you die, or the student for whom you borrowed dies, and we receive acceptable documentation of your or the student's death; **(ii)** you become totally and permanently disabled and meet certain other requirements; **(iii)** your loan is discharged in bankruptcy; **(iv)** you or the student for whom you obtained the loan were unable to complete the program of study because the school closed; **(v)** the school falsely certified your loan eligibility; **(vi)** the school did not pay a refund of your loan money that it was required to pay under federal regulations; or **(vii)** a loan in your name was

falsely certified as a result of a crime of identity theft. To request a loan discharge, contact your servicer.

A public service loan forgiveness program is also available. Under this program, the remaining balance due on your eligible Direct Loan Program loans may be cancelled after you have made 120 payments on those loans (after October 1, 2007) under certain repayment plans while you are employed in certain public service jobs.

The Act may provide for certain loan forgiveness or repayment benefits on your loans in addition to the benefits described above. If other forgiveness or repayment options become available, your servicer will provide information about these benefits.

In some cases, you may assert, as a defense against collection of your loan, that the school did something wrong or failed to do something that it should have done. You can make such a defense against repayment only if what the school did or did not do would give rise to a legal cause of action under applicable state law. If you believe that you have a defense against repayment of your loan, contact your servicer.

20. Loan consolidation. You may consolidate one or more of your eligible federal education loans into one loan with a single monthly payment. Consolidation may allow you to extend the period of time that you have to repay your loans. This may make it easier for you to repay your loans. However, you will pay more interest if you extend your repayment period through consolidation, since you will be making payments for a longer period of time. Contact your servicer for more information about loan consolidation.

Grant Edit Codes

Introduction

This section provides a table to help you interpret the various edit codes that are used and their related comments. The information is grouped according to the following column headings:

- Edit Code – the number that is assigned if the edit condition(s) is met. This column also lists one of the three edit types. They are:
 - W Warning and/or Corrected
 - E Rejected
 - D Duplicate
- Message – the explanation that displays for the prescribed edit condition.
- Condition and Action – a description of the situation that caused the edit and the action taken either to resolve it and/or to notify the school of the potential error.
- What It Means – further explanation of the message in an effort to make the cause of the edit clearer.
- How to Fix It – what the user must do to resolve the mistaken condition.
- COD Web site Edit Code – the edit code that the user will see on the COD Web site; Web site edit codes are translated to the Pell Phase-In edit code on the SAIG Acknowledgment files.

The following comparison operators are used in performing these edits:

Equals	=
Less than	<
Greater than	>
Less than or equal to	<=
Greater than or equal to	>=
Not equal to	<>
A parameter value that can be changed between cycles, this is the data that comes from the ALGORITHM and AWARD YEAR tables and can be made year-specific.	@

Grant Data Requests

Data Requests are sent by schools to request information files. These files are the Multiple Reporting Record, Electronic Statement of Account, Year-to-Date, Reconciliation File, and Verification Status, Pell POP Report.

Business Rules

1. Grant Data Requests are sent as fixed-length, flat files and not as XML documents.
2. Grant Data Requests are sent to the COD system via SAIG batch with message class PGRQ14IN (Pell) via the COD Web site.
3. After the Data Request is received and processed, a Data Request Acknowledgement record is sent back to the institution for each data request received.

Pell Grant Electronic Statement of Account (ESOA)

The Electronic Statement of Account (ESOA) summarizes the status of a school's CFL versus the net drawdown for that award year. In addition, the ESOA provides the YTD Unduplicated Recipient Count, YTD Total Accepted and Posted Disbursements, YTD Total ACA paid to schools and net drawdown payments in G5 for the current processing day only, i.e. the sum of school-initiated drawdowns, direct payments for Obligate/Pay accounts, adjustments (+/-_ less refunds and returns. This report will not include any data regarding Iraq and Afghanistan Service Grant students.

ESOA Printing Specifications

For more information about printing the ESOA, please refer to *Volume VI, Section 7* of this technical reference.

Business Rules

1. An ESOA can be COD system generated or may be requested by the school via batch data request, or COD Web site
 - a. The ESOA sent via data request is a retransmission of the most recent ESOA generated by COD.
2. The COD system generates an ESOA each time a school's CFL changes, regardless of funding method.
3. The ESOA is provided in the fixed-length, flat file format.
4. The ESOA is sent from the COD System with message class PGAS140P.

Pell Grant Multiple Reporting Record (MRR)

The Pell Grant Multiple Reporting Record (MRR) provides information to a school about a student's origination and disbursement status at other schools and the amount of the scheduled Pell Grant award disbursed. The MRR identifies two primary types of multiple reporting conditions: concurrent enrollment and potential overaward situations. This report may include any data regarding Iraq and Afghanistan Service Grant students.

Business Rules

1. An MRR can be COD system generated or may be requested by the school via batch data request, or COD Web site.
2. The MRR is provided in fixed-length, flat file format.
3. The MRR is sent from the COD System using message class PGMR14OP.

SSN/Name/Date of Birth Change Report

The Pell SSN/Name/Date of Birth Change Report lists students who have had identifier changes (including changes to SSN, name, and date of birth) during the reporting period, which is 90 days prior to the report end date. A student with an identifier change will be included on your school's report if that person was associated with your school for any of the 3 most recent award years. The change may have been initiated by: a) your school, b) another school associated with that student. The report detail provides information on the school submitting the change, the field changed, the old value, the new value, and the date the change was accepted, to assist your school with researching any related identifier issues. This report may include data regarding Iraq and Afghanistan Service Grant students.

Business Rules

1. The SSN/Name/Date of Birth Change Report is automatically sent to the school's SAIG mailbox on a weekly basis, when a change is initiated.
2. The SSN/Name/Date of Birth Change Report is available via SAIG in the following format:
 - i. Preformatted Text file (message class PGSNPFOP)
3. The SSN/Name/Date of Birth Change Report is available via the COD Web site in the following format:
 - a. Comma-Delimited (CSV)
 - b. The SSN/Name/Date of Birth Change Report available on the COD Reporting Web site is the report most recently generated by COD.
4. Although the SSN/Name/Date of Birth Change Report is generated weekly, if there is no data for the report on a given week, the report will not be sent to the schools' SAIG mailbox or made available via the COD Reporting Web site.

Pell Grant Pending Disbursement List

The Pending Disbursement List report provides a listing of all Pell anticipated disbursements (DRI = false) and actual disbursements (DRI = true) with a disbursement date 8 to 30 days in the future. This report may include data regarding Iraq and Afghanistan Service Grant students.

Business Rules

1. The Pending Disbursement List is automatically sent to the school's SAIG mailbox on a weekly basis in the following formats:
 - a. Preformatted Text file (message class PGPD14OP)
2. The Pending Disbursement List is available via the COD Web site in the following format:
 - a. Comma-Delimited (CSV)
 - b. The Pending Disbursement List available on the COD Web site is the report most recently generated by COD.
3. The report will be sent to schools weekly until the last day of December for the specific award year. Example: Award year 2013-2014 ends 9/30/2014; the final date that COD would generate the Pending Disbursement List for 2013-2014 would be 12/31/2014.
4. Although the Pending Disbursement List is a weekly report, the report will not be generated for a given school unless the school has one or more disbursements meeting the following criteria:
 - a. Anticipated Pell disbursements (DRI = false) with a disbursement date up to 6 days before the report generation date, or
5. If the weekly report generation criteria are met, a Pending Disbursement List report will be generated containing all Pell anticipated disbursements (DRI = false) for the reported Award Year.

TEACH Grant School Account Statement (SAS)

The TEACH School Account Statement (SAS) is a monthly statement, similar to a bank statement, which summarizes a school's TEACH processing activity for each month. The TEACH SAS is a school's primary tool used in reconciliation, and should be compared to both financial aid and business office records. This file provides the Department's official ending cash balance as of the end date of the file, based on data submitted by a school. As such, all schools with cash or disbursement activity within the award year will receive the TEACH SAS on a monthly basis.

Sections of the TEACH SAS

- **Cash Summary** - This section of the TEACH SAS provides the Department's official Ending Cash Balance for a school for the reported period. The Cash Summary contains both a monthly and a year-to-date summary of cash and award data processed at COD for that program year. This section can be compared to summary information on a school's internal systems. The comparison may then identify areas where further research is needed.
- **Cash Detail** - This section of the TEACH SAS provides detail on cash transactions processed at COD during the reported period. This includes drawdowns, drawdown adjustments, pushed funds, refunds of cash, returns, and/or reversals. If the monthly option is chosen, this section will only include cash transactions processed at COD during that month. If the year-to-date option is chosen, the section will include cash transactions processed at COD from the start of the program year through the end date of the file.
- **TEACH Award Detail, Disbursement Activity Level** - This section of the TEACH SAS provides transaction-level detail for all disbursement and adjustment transactions processed on COD during the reported period. If the monthly option is chosen, this section will include disbursements booked on COD during the reported month as well as year-to-date unbooked disbursements. If the year-to-date option is chosen, the section will include all disbursements, booked and unbooked, on COD as of the end date of the report. This information can be used to do a transaction-level comparison to the school's internal records, for either that month, or year-to-date. Note that for TEACH, unbooked disbursements are typically future dated disbursements. In most cases, unbooked disbursements appearing on the TEACH SAS are rare.

Business Rules

1. The COD system generates the TEACH SAS and automatically sends it to a school's SAIG mailbox.
2. The TEACH SAS is generated monthly and includes all data through the last day of the previous month.
3. The TEACH SAS displays pennies for all dollar amount fields.
4. Schools have the option to select the TEACH SAS Report Activity Type on the COD Web site.
 - a. The choices for the Report Activity Type option are:
 - i. Monthly (Default)
 - ii. Year-to-Date
 - iii. Both Monthly and Year-to-Date
 - b. Schools may set or change their Report Activity Type option at any time. Changes will be applied to the next scheduled run of the TEACH SAS file.
 - c. Schools new to the TEACH program or schools that have not changed their options on the COD Web site are set to the default values.
 - d. A school's SAS options for the current award year will be carried over to the next award year with New Award Year Setup. If a school wants different options for different award years, it must update its options separately for each award year. Schools should ensure they are in the correct program year in the TEACH SAS Report Options screen before updating their options.

5. The TEACH SAS file is delivered to a school’s SAIG mailbox in Comma-Delimited format using the following message classes:
 - a. Monthly file (message class THSM14OP)
 - b. Year-to-Date file (message class THSY14OP)

TEACH Grant SSN/Name/Date of Birth Change Report

The TEACH SSN/Name/Date of Birth Change Report lists students who have had identifier changes (including changes to SSN, name, and date of birth) during the reporting period, which is 90 days prior to the report end date. A student with an identifier change will be included on your school's report if that person was associated with your school for any of the 3 most recent award years. The change may have been initiated by: a) your school, b) another school associated with that student. The report detail provides information on the school submitting the change, the field changed, the old value, the new value, and the date the change was accepted, to assist your school with researching any related identifier issues.

The information on this report can be used to:

- Confirm identifier changes sent by your school have been accepted properly on COD.
- Update your records (where appropriate).
 - Because your school may not have initiated the change, it is important to monitor the information on this report for any updated identifier information for your students and make changes to your records where appropriate. This will help you prevent future rejects based on old identifier information.
 - If your school has more current information on the student's identifiers, you will need to ensure this information is properly documented and updated on COD.

Business Rules

1. The TEACH SSN/Name/Date of Birth Change Report is automatically sent to the school's SAIG mailbox on a weekly basis, when a change is initiated.
2. The SSN/Name/Date of Birth Change Report is available via SAIG in the following format:
 - a. Preformatted Text file (message class THSNPFOP)
3. The SSN/Name/Date of Birth Change Report is available via the COD Web site in the following formats:
 - a. Comma-Delimited (CSV)
4. The SSN/Name/Date of Birth Change Report available on the COD Reporting Web site is the report most recently generated by COD.
5. Although the SSN/Name/Date of Birth Change Report is generated weekly, if there is no data for the report on a given week, the report will not be sent to the schools' SAIG mailbox or made available via the COD Reporting Web site.

Previous versions of this report will also be available on the COD Reporting Web site.

Business Rules

1. The ATS Discharge Report is sorted in the following order (with each field listed in ascending order):
 - a. Discharge Date
 - b. Last Name

Direct Loan Reports

Direct Loan Reports Options

Direct Loan Reports are available to schools in a variety of format options. Direct Loan reports are available via the school's SAIG mailbox, COD's new Report Requests page, and/or via the school's Newsbox on the COD Web site. Beginning in March 2013, Direct Loan SAS Reports may also be requested via the new COD Report Request page on the COD Website.

Business Rules

1. Direct Loan Reports for 2013-2014 are sent to schools as a flat file and not an XML document.
2. Direct Loan Reports for 2013-2014 and prior years are sent to school's SAIG mailbox in the following format options. Not all reports are offered in all formats:
 - a. Comma-Delimited (CSV)
 - b. Pipe-Delimited
 - c. Preformatted Text file
 - i. Portrait
 - ii. Courier 10
 - iii. 80 characters per line
 - iv. 60 lines per page
 - d. Fixed-length File
 - e. Do Not Distribute - This is only available for specific reports (see the individual report Business Rules for more information). If this option is chosen, the report will not be generated and sent to a school's SAIG mailbox, although prior versions will still be available for viewing on the COD Web site. Schools can select the Do Not Distribute option from the COD Web site Report Selection screen at any time. Keep in mind that, if a school chooses not to receive a report, COD will not be able to send any missed reports at a later time. If a school updates its options to begin receiving a report, the school will only receive reports generated from that point forward.
3. Many Direct Loan Reports for 2013-2014 and prior years are viewable on the COD Web site in the following format options:
 - a. PDF (These files are downloadable into Adobe)
 - b. Comma-Delimited (CSV)
4. Delivery method and format options vary by report type. These specific options are discussed under the appropriate report section.
5. Beginning in March 2013, Direct Loan School Account Statement Reports will be available on-demand via the new COD Report Requests page on the COD Website.

Below is a summary of all Direct Loan Reports and available formats generated by the COD System.

Direct Loan School Account Statement (SAS)

The School Account Statement (SAS) is a monthly statement, similar to a bank statement, which summarizes the school's processing activity for each month. The SAS is the school's primary tool used in reconciliation and program year closeout, and should be compared to both financial aid and business office records. This report provides the Department's official ending cash balance as of the end date of the report, based on data submitted by the school. As such, all schools are required to receive the SAS on a monthly basis until they have officially closed out a program year.

Sections of the SAS

- **Cash Summary** - This section of the SAS provides the Department's official Ending Cash Balance for the school for the reported period. The Cash Summary contains both a monthly and a year-to-date summary of cash and loan data processed at COD for that program year. This information is automatically included in the SAS. This section can be compared to summary information on the school's internal systems. The comparison may then identify areas where further research is needed. For example, if the school determines their internal systems match the SAS Cash Summary information for Net Drawdowns/Payments but not for Total Net Booked or Total Net Unbooked, the school can target further research to loan detail only.
- **Disbursement Summary by Loan Type** - This section of the SAS provides monthly and year-to-date summary information by loan type for the reported period. It can be used to monitor loan volumes at the summary level (both booked and unbooked) for all loan types processed at COD.
- **Cash Detail** - This section of the SAS provides detail on cash transactions processed at COD during the reported period. This includes drawdowns, drawdown adjustments, or refunds of cash. If the monthly option is chosen, this section will only include cash transactions processed at COD during that month. This section will not include any cash transactions requested or sent during the month, but not processed on COD until after the last day of that month. If the Year-to-date option is chosen, the section will include cash transactions processed at COD from the start of the program year through the end date of the report.
- **Loan Detail, Loan Level** - This section of the SAS provides loan-level detail for disbursement transactions processed on COD through the end date of the report. Each transaction lists the total amount disbursed on that loan as of the end date of the report. This information can be used to perform an award-level comparison to your internal systems. This section is only available as year-to-date.
- **Loan Detail, Disbursement Activity Level** - This section of the SAS provides transaction-level detail for all disbursement and adjustment transactions processed on COD during the reported period. This section may have multiple transactions per award id (as applicable). This section is available as monthly, year-to-date, or both. The monthly version will only show disbursements booked on COD during the reported month, but will include all unbooked disbursements (unbooked transactions are always year-to-date). Unbooked disbursements include any future dated transactions with disbursement dates falling after the end of the report. The year-to-date version of the report will show all disbursements, booked and unbooked, on COD as of the end date of the report. This information can be used to do a transaction-level comparison to the school's internal records, for either that month, or year-to-date.

Business Rules

1. The COD System generates the School Account Statement (SAS) on a monthly basis and automatically sends it to the school's SAIG mailbox.
2. Once a school has officially completed the closeout process for a specific program year, a school will no longer receive a SAS for that year. If the school's balances change after it has officially closed out, the school will resume receiving a Direct Loan SAS report to assist with the reconciliation process.
3. The SAS is generated on the first full weekend of the month and includes all data through the last day of the previous month. If the first day of the month falls on a Sunday, the SAS will run the following weekend. For example, the October SAS report, containing all data through October 31, will be run on the first full weekend of November.
4. Schools have the option to customize the SAS in a number of ways on the COD Web site.

- a. The following options can be set for the SAS on the SAS Options page on the COD Web site (Note: Each option is described in detail below):
 - i. Report Format
 - ii. Include Names of Borrowers
 - iii. Report Activity Type
 - iv. Sections of SAS to Receive
 - b. Schools may set or change their options at any time. Changes to SAS options will be applied to the next scheduled run of the report.
 - c. Schools new to the Direct Loan program or schools that have not changed their options on the COD Web site are set to the default values. Note: Default values are noted in parentheses below.
 - d. A school's SAS options for the current award year will be carried over to the next award year with New Award Year Setup. If a school wants different options for different award years, it must update its options separately for each award year. Schools should ensure they are in the correct program year in the Direct Loan SAS Report Options screen before updating their options.
 - e. Schools may receive more than one report for an award year depending on which options are selected.
5. The **Report Format** option allows the school to select the format of the SAS Report that is delivered to its SAIG mailbox.
- a. The choices for the Report Format option are:

- 7. The **Report Activity Type** option allows the school to select whether to receive the Monthly, Year-to-Date, or Both for both the Cash and Loan detail sections of the SAS. Regardless of its choice, the school will receive the Monthly Cash Summary and the Year-to-Date Cash Summary.
 - a. The choices for the Report Activity Type option are:
 - i. Monthly (**Default**)
 - ii. Year-to-Date
 - iii. Both Monthly and Year-to-Date
 - b. The school's Report Activity Type selection will determine the choices available under the Sections of SAS to Receive option.

Direct Loan Pending Disbursement Listing Report

The Pending Disbursement Listing Report shows all pending/anticipated disbursements (with `Disbursement Release Indicator (DRI) = false`) from your school for the reported period and award year. The reported period is a 45-day window into the future from the date of the report, or anything in the past. It will be generated if there is at least one anticipated/pending disbursement that is within the window of 6 days in the past or the 45 days into the future. This limits the frequency of the report showing same data repeatedly once the disbursement dates are in the past. There is also one final report run for all schools before the closeout deadline for DL.

The information displayed on this report can be used to:

- Determine your school's future funding needs.
 - Your school can identify pending disbursements on the report that fall within a period of immediate need (generally 3 business days), to calculate what amount to request in G5 (Advance Funded schools only). Keep in mind that any downward disbursement adjustments made since the last drawdown that have not resulted in a refund of cash back to the Department must be included in your calculation of funds needed by your school.
- To identify pending disbursements that should be reflected as actual disbursements (`DRI = true`).
 - If there are pending disbursements on the report with disbursement dates in the past or the immediate future, you can compare this information to internal school records to determine if any of these should be reflected as actual disbursements. If so, submit a `Disbursement Release Indicator = true` to COD as soon as possible.
- To identify awards or disbursements that need to be inactivated (reduced to \$0).
 - If a disbursement is listed on the report and the associated award should have been inactivated or the individual disbursement needs to be reduced to \$0, submit updated records to COD as soon as possible.

Business Rules

1. The Pending Disbursement Listing Report is automatically sent to the school's SAIG mailbox on a weekly basis.
2. The Pending Disbursement Listing Report is available via SAIG mailbox in the following formats, which can be selected via the COD Web site Report Selection screen under the "School" menu:
 - a. Comma-Delimited (message class `DALC14OP`)
 - b. Pipe-Delimited (message class `DALC14OP`)
 - c. Preformatted Text file (message class `DIAA14OP`)
 - d. The default format is Preformatted Text file. Schools may change their default options via the COD Web site.
 - e. Do Not Distribute - if this option is chosen, the Pending Disbursement Listing will not be generated and sent to your school's SAIG mailbox, although prior versions will still be available for viewing on the COD Web site. You can select the Do Not Distribute option from the COD Web site Report Selection screen at any time. Keep in mind that, if you choose not to receive a report, COD will not be able to send any missed reports for your school at a later time. If you update your options to begin receiving a report, you will only receive reports generated from that point forward.

Pipe-Delimited Layout

The pipe-delimited report layout is the same as the comma-delimited report layout (except the comma-delimited report utilizes text qualifiers (") around each field). The commas (,) in the valid field content are replaced with pipes (|) in the pipe-delimited report.

3. The Pending Disbursement Listing Report is available via COD Web site in the following formats:
 - a. Comma-Delimited (CSV)
 - b. The Pending Disbursement List available on the COD Web site is the report most recently generated by COD.
4. The report will generate for the current and previous two Award Years. Example: for Award Year 2013-2014, a school will receive a report for Award Years 2013-2014, 2012-2013 and 2011-2012.
5. Although the Pending Disbursement List is a weekly report, the report will not be generated for a given school unless the school has one or more disbursements meeting the following criteria:
 - a. Anticipated Direct Loan disbursements (DRI = false) with a disbursement date up to 6 days before or 45 days after the report generation date
6. If the weekly report generation criteria are met, a Pending Disbursement List report will be generated containing all Direct Loan anticipated disbursements (DRI = false) for the reported Award Year with a disbursement date less than or equal to 45 days from today.
7. An annual Pending Disbursement List report will be sent to schools up to 6 days before or on the Latest Date to Accept a Common Record for the Award Year, regardless of whether the weekly report generation criteria are met or not. This report will contain all anticipated Direct Loan disbursements (DRI = false) for that Award Year with disbursement dates any date in the past.

Format Options

Previous versions of this report will also be available on the COD Reporting Web site.

Direct Loan Funding Disbursement Listing Report

The Direct Loan Funding Disbursement Listing Report is no longer available. Please see the Actual Disbursement List for more information about actual disbursement reports.

Direct Loan 30-Day Warning Report

The 30-Day Warning Report lists unbooked loans for which the COD System has not received the required elements for “booking” a loan. The items needed to book a Direct Loan are included in the Business Rules. These items must be submitted to the Department within 30 days of the initial actual disbursement date. Any missing items will result in the loan remaining unbooked, which may be in violation of this 30-day reporting requirement.

Unbooked awards are listed on the report if any activity occurred on the award (award, MPN, or initial actual disbursement are accepted) during the reported period. The reported period is a 90-day period beginning 120 days prior to the report run date, to allow for the 30-day reporting requirement. Awards remain on the report for 90 days, unless the award books or becomes inactive. For example, if an award is accepted on 10/15/2013 without a promissory note or a disbursement, it will not appear on the October 2013 30-Day Warning Report (30 days have not passed since the award was accepted), but it will appear on the November, December, and January reports if the award remains unbooked. Inactive loans (award amount and disbursements = \$0) will not appear on the report. Promissory notes listed on the report are unlinked as of the report end date. Unlinked promissory notes will appear on the report only if the promissory note was received within the reporting period, a 30-day period beginning 30 days prior to the report run date.

The 30-Day Warning Report can be used to:

- Identify the missing pieces necessary for booking the loan. This information is contained in the Loans Pending Booking section of the report.
 - Fields listed on the report indicate which piece(s) of data are still needed by the Department to book the loan (any missing data will display a "Y" in the corresponding Data Needed column).
 - For an award to be listed on the 30 Day Warning report, the award must be accepted on COD. Therefore, you will never see a "Y" in the Data Needed column under "Loan."
- Identify MPNs awaiting awards. This information is included in the Promissory Notes Without Origination Records section of the report.
 - The report will display all unlinked MPNs accepted by COD from your school during the reported period.
- Reconcile to your school's internal records of unbooked awards.
 - Schools can run internal reports of unbooked awards and match this against the 30-Day Warning Report. If there are awards on the 30-Day Warning showing as unbooked that are booked in the school's internal records, the school should research the outstanding piece needed to book the loan, as listed on the 30-Day Warning report.
- Monitor compliance with the 30 day reporting requirement.
 - If an award is listed on the 30-Day Warning Report and there is an actual disbursement on file (data needed = N for Disb column), your school is out of compliance with the 30-day reporting requirement.
 - If an award is listed on the report and there is not an actual disbursement on file (data needed = Y for Disb column), and internal school records show that there was an actual disbursement made on this award, submit the disbursement immediately to COD. If it is >30 days after the date the actual disbursement was made, your school is out of compliance.

The 30-Day Warning Report does not provide any information regarding disbursement amounts or any subsequent disbursements made to a loan that also will need to book. For this type of information, you will need to consult school records or the School Account Statement (SAS). Also, since awards with actual disbursements will drop off the 30-Day

Warning after 90 days, it is important to reference the SAS for a complete record of unbooked loans with actual disbursements accepted on COD.

Business Rules

1. The 30-Day Warning report displays the missing components that are necessary for the loan to book. The necessary items for a loan to be booked are:
 - a. Accepted award/origination record
 - b. Accepted MPN
 - c. Accepted first disbursement record
 - d. Accepted credit decision (for PLUS only)
2. Loans with Award Amounts = \$0 do not display on this report.
3. Loans that display on this report without a promissory note accepted and an actual disbursement are removed from the report after 90 days.
4. The 30-Day Warning Report is automatically sent to the school's SAIG mailbox on a monthly basis.
5. The 30-Day Warning Report is available via SAIG mailbox in the following formats, which can be selected via the COD Web site Report Selection screen under the "School" menu:
 - a. Comma-Delimited (message class DIWC14OP)
 - b. Pipe-Delimited (message class DIWC14OP)
 - c. Preformatted Text file (message class DIWR14OP)
 - d. The default format is Preformatted Text file. Schools may change their default options on the COD Web site.
 - e. Do Not Distribute - if this option is chosen, the 30 Day Warning Report will not be generated and sent to your school's SAIG mailbox, although prior versions will still be available for viewing on the COD Web site. You can select the Do Not Distribute option from the COD Web site Report Selection screen at any time. Keep in mind that, if you choose not to receive a report, COD will not be able to send any missed reports for your school at a later time. If you update your options to begin receiving a report, you will only receive reports generated from that point forward.
6. The 30-Day Warning Report is available via the COD Web site in the following formats:
 - a. Comma-Delimited (CSV)
 - b. The 30-Day Warning Report that is available on the COD Reporting Web site is the version most recently generated by COD.
7. The report will generate for the current and previous two Award Years. Example: for Award Year 2013-2014, a school will receive a report for Award Years 2011-2012, 2012-2013, and 2013-2014.
8. Although the 30-Day Warning Report is generated monthly, if there is no data for the report on a given month, the report will not be sent to the schools' SAIG mailbox or made available via the COD Reporting Web site.

Rejected Credit Decisions
Beginning in Award Year 2012-2013, PLUS awards with denied credit will be built on the system.

Direct Loan Inactive Loans Report

The Inactive Loan Report lists all Direct Loan Awards that have been inactivated (the award and any pending or actual disbursements have been adjusted to \$0) by the school for the reporting period. The reported period is a 30 day period, as shown at the top of the report, and this will be the calendar month prior to the run date of the report.

This report can be used to

- Confirm that only the correct loans have been made inactive
 - Schools can reconcile this report with internal school records to verify that all awards needing to be made inactive have been processed at COD.
- Identify awards that may have dropped off the 30-Day Warning Report
 - Loans will drop off the 30-Day Warning when they are inactivated.
 - If you expect an award to be listed on the 30-Day Warning and it is not, you may want to research if it now appears on the Inactive Loans report, or if it has been booked since the last report.

Business Rules

1. The Inactive Loans Report is automatically sent to the school's SAIG mailbox on a monthly basis.
2. The Inactive Loans Report is available via the SAIG mailbox in the following formats, which can be selected via the COD Web site Report Selection screen under the "School" menu:
 - a. Comma-Delimited (message class INACCDOP)
 - b. Pipe-Delimited (message class INACCDOP)
 - c. Preformatted Text file (message class INACPFOP)
 - d. The default format is Preformatted Text file. Schools may change their default options on the COD Web site.
 - e. Do Not Distribute - if this option is chosen, the Inactive Loans Report will not be generated and sent to your school's SAIG mailbox, although prior versions will still be available for viewing on the COD Web site. You can select the Do Not Distribute option from the COD Web site Report Selection screen at any time. Keep in mind that, if you choose not to receive a report, COD will not be able to send any missed reports for your school at a later time. If you update your options to begin receiving a report, you will only receive reports generated from that point forward.
3. The Inactive Loans Report is available via the COD Web site in the following formats:
 - a. Comma-Delimited (CSV)
 - b. The Inactive Loans Report available on the COD Reporting Web site is the report most recently generated by COD.
4. Although the Inactive Loans Report is generated monthly, if there is no data for the report on a given month, the report will not be sent to the schools' SAIG mailbox or made available via the COD Reporting Web site.

Pipe-Delimited Layout

The pipe-delimited report layout is the same as the comma-delimited report layout (except the comma-delimited report utilizes text qualifiers (") around each field). The commas (,) in the valid field content are replaced with pipes (|) in the pipe-delimited report.

Direct Loan Duplicate Student Borrower Report

The Duplicate Student Borrower Report lists the student borrowers for which the COD System has accepted multiple Direct Subsidized and/or Unsubsidized Award records with overlapping academic years. This report assists in identifying subsequent award or disbursement records that may reject due to exceeding the annual loan limits. This report does NOT relieve the school of its responsibility to monitor all loan activity for a student through the NSLDS processes.

This information can be used to:

- Identify potential overaward situations.
 - Use data on the report to identify when multiple sub/unsub awards have been originated with overlapping academic years, which could result in an overaward situation.
 - If any of the listed awards at your school will not be disbursed, or will only be partially disbursed, reduce the award by the applicable amount.
 - Monitor remaining awards for students listed on the report and any associated disbursements for any rejects due to overaward situations.

Business Rules

1. The Duplicate Student Borrower Report is automatically sent to the school's SAIG mailbox on a monthly basis.
2. The Duplicate Student Borrower Report is available via SAIG mailbox in the following formats, which can be selected via the COD Web site Report Selection screen under the "School" menu:
 - a. Comma-Delimited (message class DUPLCDOP)
 - b. Pipe-Delimited (message class DUPLCDOP)
 - c. Preformatted Text file (message class DUPLPFOP)
 - d. The default format is Preformatted Text file.
 - e. Do Not Distribute - if this option is chosen, the Duplicate Student Borrower Report will not be generated and sent to your school's SAIG mailbox, although prior versions will still be available for viewing on the COD Web site. You can select the Do Not Distribute option from the COD Web site Report Selection screen at any time. Keep in mind that, if you choose not to receive a report, COD will not be able to send any missed reports for your school at a later time. If you update your options to begin receiving a report, you will only receive reports generated from that point forward.
3. The Duplicate Student Borrower Report is available via the COD Web site in the following formats:

The Duplicate Student Borrower Report lists student borrowers for which COD has accepted multiple Direct Subsidized and/or Unsubsidized common records. The list indicates other schools that have submitted a common record for the same borrower who may be attending your school. This report assists in identifying subsequent loan origination records that may reject due to exceeding the annual loan limits. This report does NOT relieve the school of its responsibility to monitor all loan activity (including FFEL) for a student through the Financial Aid Transcript and NSLDS processes.

Direct Loan SSN/Name/Date of Birth Change Report

The SSN/Name/Date of Birth Change Report lists students/borrowers who have had identifier changes (including changes to SSN, name, and date of birth) during the reporting period, which is 90 days prior to the report end date. A student/borrower with an identifier change will be included on your school's report if that person was associated with your school for any of the 3 most recent award years. The change may have been initiated by: a) your school, b) another school associated with that borrower. The report detail provides information on the school submitting the change, the field changed, the old value, the new value, and the date the change was accepted, to assist your school with researching any related identifier issues.

The information on this report can be used to:

- Confirm identifier changes sent by your school have been accepted properly on COD.
- Update your records (where appropriate).
 - Because your school may not have initiated the change, it is important to monitor the information on this report for any updated identifier information for your students and make changes to your records where appropriate. This will help you prevent future rejects based on old identifier information.
 - If your school has more current information on the student's identifiers, you will need to ensure this information is properly documented and updated on COD.

Business Rules:

1. The SSN/Name/Date of Birth Change Report is automatically sent to the school's SAIG mailbox on a weekly basis, when a change is initiated.
2. The SSN/Name/Date of Birth Change Report is available via SAIG in the following formats, which can be selected via the COD Web site Report Selection screen under the "School" menu:
 - a. Comma-Delimited (message class SNDCCDOP)
 - b. Pipe-Delimited (message class SNDCCDOP)
 - c. Preformatted Text file (message class SNDCPFOP)
 - d. The default format is Preformatted Text file.
 - e. Do Not Distribute - if this option is chosen, the SSN/Name/Date of Birth Change Report will not be generated and sent to your school's SAIG mailbox, although prior versions will still be available for viewing on the COD Web site. You can select the Do Not Distribute option from the COD Web site Report Selection screen at any time. Keep in mind that, if you choose not to receive a report, COD will not be able to send any missed reports for your school at a later time. If you update your options to begin receiving a report, you will only receive reports generated from that point forward.
3. The SSN/Name/Date of Birth Change Report is available via the COD Web site in the following formats:
 - a. Comma-Delimited (CSV)
 - b. The SSN/Name/Date of Birth Change Report that is available on the COD Reporting Web site is the version most recently generated by COD.
4. Although the SSN/Name/Date of Birth Change Report is generated weekly, if there is no data for the report on a given week, the report will not be sent to the schools' SAIG mailbox or made available via the COD Web site.

The pipe-delimited report layout is the same as the comma-delimited report layout (except the comma-delimited report utilizes text qualifiers (") around each field). The commas (,) in the valid field content are replaced with pipes (|) in the pipe-delimited report.

 - a. Last Name
 - b. First Name
 - c. Middle Initial
 - d. SSN, and then

 - b. Pipe-delimited
 - c. Comma-Delimited (CSV)
3. The MPN Discharge Report is available via the COD Web in only comma-delimited format.
4. The MPN Discharge Report (all format types) is sent from the COD System with non-award year specific message class MPNDISOP.

6. The MPN Discharge Report is transmitted to the following Attended School’s Web Newsbox on a weekly basis:
 - a. All Attended Schools with loans linked to the MPNs in the report.
 - b. All Attended Schools that created the MPNs listed in the report regardless of whether or not an award was linked to the MPN.
7. Although the MPN Discharge Report is generated weekly, if there is no data for the report on a given week, the report will not be sent to the schools’ SAIG mailbox or made available via the COD Reporting Web site.

Format Options

Previous versions of this report will also be available on the COD Reporting Web site.

Direct Loan Expired MPN Report

The Expired MPN Report contains data on MPNs that have expired (become inactive) within the last 30 days due to any of the following reasons:

- No awards linked within a year of the date of receipt
- No actual disbursements on a linked award within a year of the date of receipt
- 10 years passing since the date of receipt
- A PLUS loan linked with an Endorser.

MPNs will not appear on the Expired MPN Report if they have expired due to Disbursement inactivity more than 30 days prior to the date of the report generation.

This report can be used to:

- Identify when a new MPN may be needed for an award at your school
 - If an MPN has expired, you cannot use that MPN to link to a new, unlinked award at your school that will be disbursed after the expiration date. You must obtain a new, signed promissory note to book additional loans.
 - If an MPN has expired that is already linked to an award at your school, no further action is necessary for that award. Any disbursements made to the linked award will book using the existing promissory note.

COD School Monitoring Report

The COD School Monitoring report assists schools with the financial aid disbursement process by highlighting three conditions;

1. Unsubstantiated Cash
 - a. Means your school has received cash for one or more Title IV Programs, however, to date a sufficient number of actual disbursement records to substantiate these amounts have not been received.
2. POP Situations – New Summary Format
 - a. Federal Pell Grant recipients are allowed to receive a maximum of one full Scheduled Pell Grant during an award year. The COD System is programmed to calculate the percentage of Scheduled Pell Grant used (based on Section 690.65 of the regulations) each time a school reports a disbursement to the student. Any amount exceeding 100 percent of a full Scheduled Pell Grant represents an overaward situation. The COD System allows a potential overaward situation to exist for 30 days and sends a warning to all schools involved before reducing all of the students Pell Grant disbursements for that award year to zero.
3. 30-Day Disbursement Reporting – Addition of Award Year Totals
 - a. Where one or more funded disbursements are accepted more than 30 days after the *Actual Disbursement Date*.

This report is an important tool to help schools identify potential issues in timely reporting of data to the Department so they can better meet regulatory and reporting requirements. Reviewing this report should be part of your weekly internal procedures.

Business Rules

1. The COD School Monitoring report is automatically sent to a school's SAIG mailbox and COD Newsbox on a weekly basis, when any of the three conditions is present: Unsubstantiated Cash, POP Situations and 30-Day Disbursement Reporting.
2. The COD School Monitoring report is available via SAIG in the following format:
 - i. Preformatted Text file (message class SCHMONOP)
3. The COD School Monitoring report is available via your school's Newsbox in the following format:
 - i. PDF
 - ii. The COD School Monitoring report available in your school's Newsbox is the one most recently generated by COD.
4. Although the COD School Monitoring report is generated weekly, if there is no data for the report on a given week, the report will not be sent to schools' SAIG mailboxes or made available via your school's Newsbox.

Please note that one or more of the following conditions have occurred at your school:

- Unsubstantiated Cash
- Pell Grant Potential Overaward Process (POP) Situations
- 30-Day Disbursement Reporting

Unsubstantiated Cash

Regulations require schools to submit disbursement records and disbursement adjustment records within certain timeframes (For Pell Grant, ACG and National SMART Grant, the timeframe is published annually in the Federal Register). Additionally, the cash management regulations require schools to return excess cash (i.e., refund of cash) within certain timeframes. You can review your school's cash balances on the COD Web site or the G5 Web site.

Issue: The COD System reflects that your school has received cash for one or more Title IV Programs; however, to date, a sufficient number of student actual disbursement records to substantiate these amounts have not been received. This is known as "unsubstantiated cash."

Note: Due to a lag in the receipt of transactions between COD and G5, it is possible the summaries in this report may not reflect your school's most recent refunds.

Action: To prevent delays in receiving additional cash, resolve your school's unsubstantiated cash by submitting disbursement records to the COD System or returning cash to the Department of Education.

POP Situations

When more than one Attended School reports disbursements for a student, the COD System checks to make sure that the student has not received more than 100% of his or her eligibility for a Pell Grant for a given award year. If the COD System receives disbursement information that places the student in a situation in which he or she has received more than 100% of the student's Total Eligibility Used, the student has entered a Potential Overaward Process (POP) situation.

Issue: To date, the COD System has not received or accepted disbursement adjustments to correct some students' potential overaward.

Action: The number of students in a POP situation is listed below. Details on these students can be retrieved from the Multiple Reporting Record (MRR) file sent to your school's Student Aid Internet Gateway (SAIG) mailbox advising your school of a POP situation. The Pell POP report, generated weekly, can also be retrieved from your school's SAIG mailbox, and via the COD Reporting Web site in your school's newsbox. Use this information to determine the student accounts that should be reviewed and adjusted, as appropriate.

Regulatory Reference: 34 CFR 690.65 provides the basis for determining a student's remaining eligibility when another school has disbursed Pell Grant funds to the student.

30-Day Disbursement Reporting

Regulations require schools to submit disbursement records and disbursement adjustment within certain timeframes (For Pell Grant, ACG and National SMART Grant, the timeframe is published annually in the Federal Register).

Issue: COD System records reflect awards with funded disbursements that were not accepted within 30 days of the disbursement date. The weekly and award year summaries below provide information accepted by the COD System within the past week, for each award year, where one or more funded disbursements were accepted more than 30 days after the actual disbursement date.

Action: Review the 30-day disbursement reporting requirements and make adjustments to your reporting processes for future disbursements.
