Dear Colleague:

The questions and answers that follow provide important information related to the final funding authorizations.

## QUESTIONS AND ANSWERS

### **Q1: How are the Campus-Based awards for a school determined?**

**A1:** A school's final funding levels for each of the Campus-Based programs are determined in accordance with provisions of the Higher Education Act of 1965, as amended (HEA), and by the implementing regulations at 34 CFR Part 673. The final funding worksheets posted on the [eCB Web site](#) will show the derived figures used in calculating the school's 2007-2008 Campus-Based allocations. See Q&A #4 that explains how to access 2007-2008 Campus-Based allocations information posted on the [eCB Web site](#).

**Q2: If a school returned more than 10 percent of its 2005-2006 allocation for one of the Campus-Based programs, will it affect the school's 2007-2008 allocation?**

**A2:** As required by the HEA, unless a waiver had been granted, if a school returns more than 10 percent of its Perkins, FWS, or FSEOG program allocation for an award year, the school's allocation for that program in the second succeeding award year will be reduced by the amount returned.

We accepted requests for a waiver of any 2007-2008 Award Year penalty for the underuse of 2005-2006 Award Year funds with the initial submission of the Fiscal Operations Report for 2005-2006 and Application to Participate for 2007-2008 (FISAP) or with any FISAP edit submissions received through the February 9, 2007 waiver request deadline. We have reviewed all of the waiver requests we received, notified the Financial Aid Administrators at the requesting schools of our decisions, and posted the decision letters to the [eCB Web site](#). Any school that underutilized its 2005-2006 allocation by more than 10 percent and did not receive approval of a waiver request will see an adjustment in the applicable final funding worksheet on the line labeled "Allocation Reduction."

**Q3: Will there be additional Campus-Based funds available for the 2007-2008 Award Year?**

**A3:** All of the Federal Campus-Based funds available for the 2007-2008 Award Year have been allocated in the final award process. However, some schools may qualify for supplemental 2007-2008 Campus-Based funds based upon a reallocation of funds not spent from 2006-2007 allocations. Specific information on the reallocation process, including an application (Reallocation Form E40-4P) for requesting additional FWS funds, will be included with the Fiscal Operations Report for 2006-2007 and the Application to Participate for 2008-2009 in July 2007.

**Q4: How will we be notified of our 2007-2008 Campus-Based allocations?**

**A4:** We will notify a school by e-mail after its 2007-2008 Campus-Based allocation information has been posted to the [eCB Web site](#). We will send this e-mail to the Financial Aid Administrator's e-mail address that was provided in the school's most recently submitted FISAP or that was updated via the "Contact Info" page on the [eCB Web site](#). Following receipt of this e-mail, the school can access its 2007-2008 Campus-Based allocation information as follows:

- Awards for each Campus-Based program in which the school participates will be reflected in the school's 2007-2008 Statement of Account on the [eCB Web site](#). **Q5: We participate in the Perkins Program. What is the purpose of the "Total Authorized Level of Expenditure" or "LOE" shown on our final funding documentation?**

**A5:** The level of expenditure shown on a school's Statement of Account and Perkins final funding worksheet represents the maximum amount the school is authorized to expend from its Perkins fund for the 2007-2008 Award Year. If the school wants to request an increase in its level of expenditure, it must contact the School Participation Team at the Department of Education's regional office that serves the state in which the school is located. School Participation Team contact information is available at [http://fsa4schools.ed.gov/help/contacts.htm#Case\\_Management\\_Teams/](http://fsa4schools.ed.gov/help/contacts.htm#Case_Management_Teams/).

**Q6: When will 2007-2008 Campus-Based funds become available for use by our school?**

**A6:** Federal funds for the Campus-Based programs will be posted to a school's grantee account in the Department's Grant Administration and Payment System (GAPS) by July 1, 2007. Federal funds are to be withdrawn from your school's grantee account according to the procedures specified in the GAPS *User's Guide*.
