Have you been convicted for the possession or sale of illegal drugs for an offense that occurred while you were receiving federal student aid (grants, loans, and/or work-study) (question 31)?

Count only federal or state convictions for the possession or sale of illegal drugs if the offense occurred during a period of enrollment for which you were **receiving** federal student aid (grants, loans, and/or work-study). **Do not count** convictions that have been removed from your record, or occurred before you turned age 18, unless you were tried as an adult.

If your answer is "Yes", you will be taken to a worksheet that will help you determine your eligibility for federal student aid.
