JOHN SMITH

SPRINGFIELD OH 55555

Dear JOHN SMITH,

**Your Student Aid Report (SAR) summarizes the information you submitted on your 2017-2018 Free Application for Federal Student Aid (FAFSA).**

**Application Status (review the checked boxes)**

- Your FAFSA appears to be complete. **Review the data on pages 3-10 of your SAR and make corrections or updates if necessary.** The school(s) listed on your FAFSA will receive your information.
- Your FAFSA has been selected for verification. Verification is a process where your school confirms the data you reported on your FAFSA. Your school has the authority to contact you for documentation that supports income and other information that you reported on your FAFSA.

**Federal Student Aid Eligibility (review the checked boxes)**

The data submitted on your FAFSA is used to calculate your Expected Family Contribution (EFC), which is 000000.

The EFC is not the amount of money that your family must provide. Rather, you should think of the EFC as an index that colleges use to determine how much financial aid you would receive if you were to attend their school. Financial aid may include grants (free funds that do not have to be repaid), work-study (paid part-time employment), and/or low-interest loans (borrowed funds that must be repaid). Please note that your EFC is subject to change if you update or correct your FAFSA.

Your financial aid package could also include other federal, state, or institutional grants and scholarships, and/or a work-study award. Your school's financial aid office will advise you of the specific types and amounts of student aid you are eligible to receive. For more information about the EFC, grants, loans, work-study, scholarships and other sources of aid, go to StudentAid.gov.

- Based on your EFC it appears that **you may be eligible** for a Federal Pell Grant of up to \$5775, provided you have not met or exceeded the lifetime limit established for the Federal Pell Grant program. You may also be eligible for other grants, work-study opportunities, and low-interest student loans.
- We sent your information to other federal agencies to verify your eligibility for federal student aid and there appears to be an issue with the information provided on your application. **Review the checklist on page 3 for instructions on how to resolve these issues.**

**You should keep this SAR for your records!**

# 2017-2018 STUDENT AID REPORT

## Summary of Federal Student Loans (review the loan totals listed below)

The information below is the total amount of Title IV student loans that you owe as currently reported to us by your loan holder(s). These loan programs are administered by the U.S. Department of Education (ED). You should confirm that these loan totals are correct. You can use your FSA ID to view details on the individual loans that make up these totals at the National Student Loan Data System (NSLDS) Web site at [www.nsls.ed.gov](http://www.nsls.ed.gov). If you feel that the amounts listed on this page are incorrect, or you have other questions related to a loan, you should contact the loan servicer indicated on the NSLDS Web site. You can obtain general information about each of the types of loans that are listed below by visiting our [StudentAid.gov](http://StudentAid.gov) Web site.

Note that the 'Subsidized' and 'Unsubsidized' amounts include the appropriate portions of any Consolidation Loans you may have. If there is an amount listed for Federal Family Education Loan (FFEL) Program 'Unallocated Consolidation Loans,' it is because we could not determine whether those balances were subsidized or unsubsidized.

Remember, you are responsible for repaying all of the amounts that you borrow, plus interest. As a general rule, with an assumed interest rate of 5%, the monthly payment amount over a 10-year repayment period would be approximately \$10.61 for every \$1,000 that you borrowed. Of course, your actual repayment amount will depend upon how much you borrow, the interest rate when you enter repayment, and the length of your repayment term.
