Verification – Operations

• Based on the data on the record and if a record was selected for verification and financial data was transferred from the IRS, then either:
  • No fields will need to be verified based on the values in Marital Status, Household Size, and Number in College
  • Only Household Size and Number in College
Verification – Tracking Group

• Beginning in 2016-17, a student may go to tracking group V5 from V1, V4, or V6

• Verification can be set on the application or correction

• Verification Selection Change Flag
  • Y: indicates verification was not set and now record is selected for verification
  • C: indicates the verification tracking group has changed. This “C” is transaction specific.
Same for 2016-17 – Not Selected

If the applicant would have been selected based on standard verification criteria and

- Tax return data for the student and parent(s) for a dependent record or for the independent student
  - Retrieved from the IRS and not changed on the FAFSA
  - Responses to Household Size and Number in College questions seems logical
  - Record will **not** be selected for verification
Same for 2016-17 – Not Selected

• Logical answers include the following:

<table>
<thead>
<tr>
<th>Parents' Marital Status</th>
<th>Household Size</th>
<th>Number in College</th>

IRS Data Retrieval Tool

- Applicants selected for verification – V1-Standard Verification
  - Who transfer their income tax return information unchanged using the Internal Revenue Service Data Retrieval Tool (IRS DRT) –
    - When initially completing the FAFSA using FAFSA on the Web (FOTW)
    - When making corrections on FOTW
  - Are considered to have verified the FAFSA IRS information
    - Adjusted Gross Income, taxes paid, and the applicable untaxed income items and education credits
  - Unless changes were made to the transferred information or institution has reason to believe that the information transferred is inaccurate
  - School only needs to verify # in HH and # in College

Verification – Operations

• Once a record is selected for verification:
  • Verification selection will not be removed
  • Verification selection reason can only change if the record moves from V1, V4, or V6 to V5
  • Verification will not be removed even if verification reason no longer exists
Communication with Students

Unusual Enrollment History
Unusual Enrollment History (UEH)

- Beginning with the 2013-14 award year, the Department added an Unusual Enrollment History (UEH) flag that indicates that a student has an unusual enrollment history based on the receipt of Federal Pell Grant (Pell Grant) funds.
- We added the flag to address possible fraud and abuse in the Title IV student aid programs.
Unusual Enrollment History (UEH)

- We are concerned about an enrollment pattern in which a student attends an institution
  - long enough to receive Title IV credit balance funds,
  - leaves without completing the enrollment period,
  - enrolls at another institution, and
  - repeats the pattern of remaining just long enough to collect another Title IV credit balance without having earned any academic credit
UEH – Overview

• Some students who have an unusual enrollment history have legitimate reasons for their enrollment at multiple institutions

• However, such an enrollment history requires a review to determine whether there are valid reasons for the unusual enrollment history

• Resolution of a UEH flag is separate and distinct from verification
For 2015-16, Pell Grant and Direct Loan disbursement information was evaluated for the past four award years.

- Loans do not include Direct Consolidation, Parent PLUS Loans, or Campus-Based Loans (e.g., Perkins).

- FAFSA filers were assigned a UEH Flag of ‘N,’ ‘2’ or ‘3,’ based on the number of Pell Grant/Loan disbursements that a filer received compared to the number of schools that the individual was awarded aid.
UEH – Current

• A UEH Flag value of ‘N’ indicates that there is no unusual enrollment history issue and, thus, no ‘C’ Code, no comments, and no action required by the institution

• A UEH Flag with a value of ‘2’ indicates an unusual enrollment history that requires review by the institution of the student’s enrollment records
  • An example of an enrollment pattern that generates a UEH Flag value of ‘2’ would be when the student received Pell Grant funds, Pell and Loans, or Loan only at three institutions over two award years
UEH – Current

• A UEH Flag with a value of ‘3’ indicates that the institution must review academic records for the student and, in some instances, must collect additional documentation from the student.

• An example of an enrollment pattern that generates a UEH Flag value of ‘3’ would be when the student received Pell Grant funds at three or more institutions in one award year.

• Note that there is no UEH Flag value of ‘1’.
UEH – Resolution

- Resolving Unusual Enrollment History Flags
  - **UEH Flag value is ‘N’**: No action is necessary as the student’s enrollment pattern does not appear to be unusual
  - **UEH Flag value is ‘2’**: The institution must review the student’s enrollment and financial aid records to determine if, during the four award year review period (Award Years 2011-12, 2012-13, 2013-14, and 2014-15), the student received a Pell Grant/Direct Loan at the institution that is performing the review for 2015-16. For 2014-15 and prior only three award years are reviewed
UEH – Resolution

• If so, no additional action is required unless the institution has reason to believe that the student is one who remains enrolled just long enough to collect student aid funds
• If not, the institution must follow the guidance that is provided for a UEH Flag of ‘3’
UEH – Resolution

• Resolving Unusual Enrollment History Flags
  - UEH Flag value is ‘3’: The institution must review the student’s academic records to determine if the student received academic credit at the institutions the student attended during the four award year period (Award Years 2011-12, 2012-13, 2013-14, and 2014-15)
  - Using information from the National Student Loan Data System (NSLDS), the institution must identify the institutions where the student received Pell Grant/Direct Loan funding over the past four award years (2011-12, 2012-13, 2013-14, and 2014-15) for 2015-16. For 2014-15 and prior only three award years are evaluated
UEH – Resolution

• Resolving Unusual Enrollment History Flags
  • Based upon academic transcripts it may already possess, or by asking the student to provide academic transcripts or grade reports, the institution
    • Must determine, for each of the previously attended institutions, whether academic credit was earned during the award year in which the student received Pell Grant or loan funds. For 2015-16 review four award years and for 2014-15 and prior review three award years and only Pell Grants
    • Academic credit is considered to have been earned if the academic records show that the student completed any credit-hours or clock-hours
UEH – Resolution

• Academic Credit Earned
  • If the institution determines that the student earned any academic credit at each of the previously attended institutions during the relevant award years, no further action is required
  • Unless the institution has other reasons to believe that the student is one who enrolls just to receive the credit balance
• Academic Credit Not Earned
  • If the student did not earn academic credit at a previously attended institution and, if applicable, at the institution performing the review, the institution
    • must obtain documentation from the student explaining why the student failed to earn academic credit
    • The institution must determine whether the documentation supports
      (1) the reasons given by the student for the student’s failure to earn academic credit; and
      (2) that the student did not enroll only to receive credit balance funds
UEH – Resolution

• Justification for UEH
  • Personal reasons
    • Illness, a family emergency, a change in where the student is living, and military obligations
  • Academic reasons
    • The student might explain that the first enrollment was at an institution that presented unexpected academic challenges, or
    • The academic program did not meet the student’s needs, as determined by the student
  • The institution should, to the extent possible, obtain third party documentation to support the student’s claim
UEH – Eligibility after Resolution

• Approval of Continued Eligibility
  • You can establish an academic plan (ex. SAP appeal plan) and/or;
  • Counsel student on Pell Grant duration of eligibility provisions (LEU)

• Denial of Continued Eligibility
  • You must deny additional Title IV aid if no academic credit was earned at one or more institutions and no documentation or acceptable explanation was provided for each failure
  • Students can appeal the denial with the institution (ex. SAP determinations)
UEH – Eligibility after Resolution

• Regaining Aid Eligibility
  • If aid is denied, you must give the student information on how to regain eligibility
  • Successful completion of academic credit is the basis for a student’s request for renewal of eligibility
    • This can include meeting the requirements of an academic plan that you establish with the student
  • Pell Grant eligibility and campus-based aid begin with the payment period in which the student meets the eligibility requirements (following the period of ineligibility)
  • Direct Loan eligibility is retroactive to the beginning of the enrollment period
• Circumstances when a student’s 2014-15 ISIR included a UEH Flag of ‘2’ or ‘3’, but the UEH Flag value is ‘N’ on the student’s 2015-16 ISIR
  • If you have previously resolved the 2014-15 UEH issue, there is no need for any further review
  • If you have not satisfactorily resolved the 2014-15 UEH issue, you should, but are not required to, hold disbursement of Title IV aid for 2015-16 until you resolve the earlier UEH issue
  • In doing so, you must review not only the student’s academic record for the 2011-12, 2012-13, and 2013-14 award years noted in DCL GEN-15-05, but also the more recent 2014-15 award year
UEH – FAQ

• Circumstances where you suspect that a student for whom the Department did not assign a UEH Flag of ‘2’ or ‘3’ on his ISIR may be applying for and receiving Title IV aid for purposes other than to provide financial support for postsecondary education

• In such instances, you may choose to hold disbursement of Title IV aid until you review the academic history of the student

• In doing so, you must document the reasons why you took this action, as well as the specific steps the institution took to resolve the institutional selection for UEH review
