Dear JOHN SMITH,

Your Student Aid Report (SAR) Acknowledgement summarizes the information you submitted on your 2020-2021 Free Application for Federal Student Aid (FAFSA).

Application Status (review the checked boxes)

✓ Your FAFSA appears to be complete. Review the data on pages 2 and 3. We may have assumed certain information to calculate your eligibility for federal student aid. We printed any assumptions we made and the word "assumed" for the items on the back of this page. If you need to make corrections, you can go to https://fafsa.gov and use your FSA ID to access your information or you can contact the financial aid office at one of the schools you listed on your application for assistance. The school(s) listed on your FAFSA will receive your information.

Federal Student Aid Eligibility (review the checked boxes)

The data submitted on your FAFSA is used to calculate your Expected Family Contribution (EFC), which is 000000.

The EFC is not the amount of money that your family must provide. Rather, you should think of the EFC as an index that colleges use to determine how much financial aid you would receive if you were to attend their school. Financial aid may include grants (free funds that do not have to be repaid), work-study (paid part-time employment), and/or low-interest loans (borrowed funds that must be repaid). This award information will vary from college to college because the cost of attending each is different. Please note that your EFC is subject to change if you update or correct your FAFSA. For more information about the EFC and other sources of aid, go to StudentAid.gov.

✓ Based on your EFC it appears that you may be eligible for a Federal Pell Grant of up to $6195, provided you have not met or exceeded the lifetime limit established for the Federal Pell Grant program. You may also be eligible for other grants, work-study opportunities, and low-interest student loans. Your Financial Aid Administrator (FAA) will determine what types of aid and how much you are eligible to receive.

✓ We sent your information to other federal agencies through computer matching programs to verify your eligibility for federal student aid and there appears to be an issue with the information provided on your application. You can review information about these issues by going to https://fafsa.gov and selecting "View or Print your Student Aid Report (SAR)" after logging in. You must work with your financial aid office to resolve any data matching issues before we can determine if you are eligible to receive federal student aid.

✓ Unless you are completing the verification process, it may be too late for you to make corrections or give us any more information this year. If you are completing verification and you need to correct your information, contact the Financial Aid Administrator (FAA) at your school for assistance. We must have your corrections no later than September 11, 2021.

You should keep this SAR Acknowledgement for your records!
This section contains information from your student aid application (shaded items display parents’ information, if provided). If you need to make corrections, visit https://fafsa.gov or contact the financial aid office at your college.
