

Technical Update LLS-2020-01

February 14, 2020

Death Status Conflict Report

This information is intended for the person in your organization who is responsible for working with the National Student Loan Data System (NSLDS®). Please ensure the appropriate person receives this update.

Introduction

The purpose of this Technical Update is to notify Lenders (current and original) of the new Death Status Conflict (DSCLN1) Report. The Death Status Conflict Report can be requested ad-hoc on the Report List Page of the [NSLDS Professional Access](#) website.

Death Status Conflict Report (DSCLN1)

The Death Status Conflict Report (DSCLN1) provides Lender users with information about Federal Family Education Loan (FFEL) Program loans for borrowers who have a loan in an open status at the specific lender requesting the report and who also have at least one loan in a death status at the same or different entity.

The screenshot shows the NSLDS Report List page. At the top, there is a navigation bar with links for Menu, Aid, Enroll, Org, and Report. Below this, a status bar indicates the user is logged in as LETST2 LENDER ID FOR TESTING from KENTUCKY HIGHER ED STUDENT LOAN COR / TG54560 / LETST2. The main content area is titled "Report List" and contains a search box for "Search Report ID:" with a "Submit" button. Below the search box is a table with three columns: "Report ID", "Names", and "Log Page". The table lists three reports: DRC045 (LENDER COHORT DEFAULT RATE HIST RPT), DSCLN1 (DEATH STATUS CONFLICT REPORT), and IDR004 (IDR INACTIVE APPLICATIONS REPORT). The DSCLN1 row is highlighted in yellow and has a red border around it. At the bottom of the page, there is a footer for the "PRIVACY ACT OF 1974 (AS AMENDED)".

	Report ID	Names	Log Page
1	DRC045	LENDER COHORT DEFAULT RATE HIST RPT	
2	DSCLN1	DEATH STATUS CONFLICT REPORT	
3	IDR004	IDR INACTIVE APPLICATIONS REPORT	

The output is sorted by SSN and delivered via the Student Aid Internet Gateway (SAIG) under message class **DERPFWOP** (fixed width format) or **DERPCDOP** (comma delimited format).

REPORT DESCRIPTION: The Death Status Conflict Report (DSCLN1) provides lenders with an extract of borrowers who have a loan in an open status at the specific entity, and also have at least one loan in a death status at any entity. The extract also includes beneficiaries (student) of Parent PLUS loans with loan status code of 'P2' (PLUS Child Death) and loan status effective date within the last five years. The output is sorted by SSN. The selected data is sent to the SAIG mailbox associated with the FSA User ID requesting the report. Extract file output is sent with message class DERPPVOP for the Fixed Width format, or with message class DERPPCOOP for the Comma Separated Values format. The NSLDS record layouts for the extract file are available in the NSLDS Reference Materials section of the Information for Financial Aid Professionals (IFAP) website.

PRIVACY ACT OF 1974 (AS AMENDED)

The file layout for this new report (NSLDS Death Status Conflict Report Extract File Layout for Lenders, DSCLN1) is available in the [NSLDS Record Layouts](#) section of the Information for Financial Aid Professionals (IFAP) website.

If you have any questions, contact the NSLDS Customer Support Center at 1-800-999-8219 or by email NSLDS@ed.gov.
