Volume III – Section 3	
Revised Field Name/Description and Processing Notes/Edits columns in Pell Grant External Origination Add/Change (PGE018OP) record layout to indicate Additional Eligibility Indicator field (field #13) can now be used to identify students eligible to receive 150% of their scheduled Pell Grant award in a single award year. If your import file indicates that the Additional Eligibility Indicator should be selected (set to True) for a Pell record, EDEExpress allows you to disburse up to 150% of the scheduled Pell Grant award. The Additional Eligibility Indicator is displayed on the Origination (Pell Grant) tab of student records in the software. Important Note: To use this updated functionality in EDEExpress 2017-2018, Release 2.0, you must install the service release posted to the FSADownload Web site on October 18, 2017. For more information, see the electronic announcement for the service release posted to the IFAP Web site in October 2017.	6
